4	Reporter and Notary Public in and for the State of
5	Florida at Large, in the above cause.
6	
7	THEREUPON:
8	TAMMIE LOU KAPUSTA
9	having been first duly sworn or affirmed, was examined
10	and testified as follows:
ALL ALL	DIRECT EXAMINATION
12	BY MS. CLARKSON:
13	Q State your name for the record, please.
14	A Tammie Kapusta.
15	Q I'd like you to take a look at this.
16	MS. CLARKSON: I'm handing the witness a copy

- 17 of the subpoena.
- 18 BY MS. CLARKSON:
- 19 Q Is that a copy of the subpoena that you
- 20 received and are you here today due to that?
- 21 A Yes.
- 22 MS. CLARKSON: I'd like to mark this as A.
- 23 BY MS. CLARKSON:
- Q Have you ever had your statement taken before, 24
- 25 deposition or a sworn statement?

1 A No.

Q You just need to answer the questions verbally 2

- so that the court reporter can take them down. If you 3
- 4 need to use the restroom or want some water just let me
- 5 know. If you don't understand a question ask me to
- 6 repeat it and I'll do the best I can so that you can

understand the question. I'm not going to ask you to 7 guess. Just answer it if you know.

- 10 Q What is your employment background for the
- 11 past two years?
- 12 A I'm a paralegal.
- 13 Q Where did you get your education at?

⁹ A Okay.

- David Stern. 14 А
- 15 Q You worked for David Stern; is that correct?
- 16 That's correct. А
- 17 You no longer work for him? Q
- 18 А No.
- herand.com 19 When did you start working for him? Q
- 20 А '08.
- 21 Q '08?
- 22 May, March of '08. А
- Through when? 23 Q
- 24 July of '09. А
- What were your job titles at David Stern? 25 0
- 1 А I was the senior paralegal.
- What were your duties there at the firm? 2 Q
- I was responsible for my team from initiation 3

What team? Q

- 6 I had Aurora Loan Services, Fannie Mae, А
- Freddie Mac, broken down into alphabetical --7
- 8 Aurora, Freddie, and --Q
- 9 A TCFM, which is Citibank and any client A
- 10 through L.

to sale

- 11 That was a lot of clients. Q
- 12 I had twelve thousand files. А
- 13 How many were on your team? Q
- 14 Twelve girls. А
- 15 All paralegals? 0
- 16 Juniors is what they were. А
- 17 What were your duties? Q
- Frand.com 18 I was responsible for everything for the file Α
- from beginning of initiation to --19
- Explain to me what you did with the file 20 0
- Just walk me through a file from start to finish 21
- A When we would get the files they would be 22
- checked in by Cheryl Samons and her crew. Then they 23
- would come to us and we would have to file the motion 24
- 25 for summary judgement, all the affidavits required to

file that, any contested issues I handed on the files, 1 all assignments of mortgages, anything pertaining to the file itself to make sure that it was done in the correct 3

- 4 manner.
- 5 Were lis pendens filed in the cases? Q
- A Yes. Those were filed in a different 6
- 7 department.

- 8 Who prepared those lis pendens, do you know? Q
- 9 A At the time when I was there it was what they
- 10 called a casesum department. There was a manager for
- 11 that department also.
- What department? 12 0
- 13 They call it casesum. А
- 14 Casesum? Q
- 15 A Yeah. Caseum is where it starts basically.
- aud.com 16 MS. LYONS: I'm sorry. What was that word?
- THE WITNESS: It's casesum, C-A-S-E-S-U-M. 17
- 18 It's their computer system. Basically someone
- 19 plugs in all the information given to them by the
- banks or the referral source 20
- 21 MR. REGAN: Can I get that spelling again,
- 22 please.
- THE WITNESS: C-A-S-E-S-U-M. 23
- 24 MR. REGAN: C as in cat?
- THE WITNESS: Yes.

- 1 MR. REGAN: C-A-S-E-U-M?
- 2 THE WITNESS: S-U-M. Casesum.
- 3 MR. REGAN: Okay. C-A-S-U-M. Okay. Go
- 4 ahead.

5 BY MS. CLARKSON:

- 6 Q So, somebody in the casesum department would
- 7 take care of the lis pendens?
- 8 A Correct. They would take the referral and it
- 9 would start with all the information, the borrower.
- 10 Everything is plugged into a system which is in the
- Q Okay. So the documents were created in the v Officers of David Stern? A Correct. casesum department, which created all of our documents 11
- 12 thereafter.
- 13
- Law Officers of David Stern? 14
- 15
- 16 Q Were any documents created outside that came
- in for your signatures or came in completed? 17
- 18 A Like?
- Affidavits from the lenders? 19 Q
- 20 Not usually. We prepared most of the А
- 21 affidavits.
 - And then you sent them out for signature?
 - Some of them. Most of them were signed А
- 24 in-house.
- 25 Q In-house by whom?

1 A Cheryl Samons. 2 Q How would she have authority to sign for a

3 lender?

- A According to what we were aware of she had 4
- 5 power of attorney to do that.
- 6 Q Did you ever see the power of attorney?
- 7
- 8
- 9 power of attorney for that you could guess or know?
- A A good guess would be approximately fifteen of ybe more.
 So, she signed as at: 10
- 11 maybe more.
- 12
- 13 attorney?
- 14 А Correct.
- 15 Was she ever assistant secretary to any of the 0
- 16 --
- Some of them stated that also. It would 17 А
- depend on J guess the bank that we were dealing with. 18
- So she would be assistant secretary to some 19
- and attorney in fact for the others? 20
- 21 Correct. А
- 22 Q Did you have a supervisor?
- 23 Yes. А
- 24 Who was that? Q
- 25 А Cheryl Samons was my director. I took over

- 1 her position at the company when she became COO. We all
- 2 reported to her.
- 3 Was she a lawyer? 0
- 4 А No.
- 5 Was she a paralegal? Q
- Erraud.com A I guess that's what you would call her. We 6
- 7 were under the impression.
- When you say "we" who is that? 8 0
- 9 The staff. А
- Speaking of the staff how many staff were 10 0
- 11 there?
- 12 When I started with the company there was A
- approximately two hundred and twenty-five. When I left 13
- the company there was over eleven hundred. 14
- Is that including attorneys? 15 О
- It would be a good guess to put them in there, 16
 - yes. That was just in our building though.
- 18 You had another building? Q
- 19 А Well, there was working being done offshore.
- 20 I want to talk about that too. Is that where Q
- 21 documents were prepared?
- 22 A They were preparing the casesums offshore,

- 23 yes.
- 24 Q Where offshore, do you know?
- 25 I believe it was Guam and I don't remember the А

raud.com

- 1 other one.
- 2 Somewhere in the Philippines? Q
- 3 The Philippines is where it was, yes. А
- 4 Q How do you know that documents were being
- prepared offshore in Guam and the Philippines? 5
- rectors A Because we had several conversations about it 6
- 7 in the firm.
- 8 Generally? Q
- 9 Yes. А
- With Mr. Stern? 10 Q
- With Cheryl Samons. 11 А
- Okay. What were you told about these 12 0
- 13 companies that were offshore?
 - That they were preparing our casesums while we А
- 15 were sleeping.
- 16 Did they prepare anything else? Q
- Not that I'm aware of. 17 А
- 18 Did they provide documents? Q
- A Not that I'm aware of. 19

- 20 Q So if they were preparing the casesums what
- 21 exactly were they doing?
- 22 A They were inputting the information to create
- the documents. Casesum takes the referral from the 23
- erraud. com 24 lender and creates a document in David Stern's office
- 25 with all of the information that the lender provided.
 - 11
- 1 In other words, like the UPBs.
- 2 Q UPB?
- 3 A Unpaid principal balance. The lender's
- information, last known address, and stuff like that 4
- that the bank would have on file for that. 5
- Q Instead of having to do it here in his office 6
- 7 they would do it in Guam or the Philippines?
- A Correct. Because our office was not putting 8
- out enough work. 9

Okay. Do you know what the name of these 10companies were?

- 12 No, I do not. А
- 13 O Do you know if they were owned by David Stern
- or just hired by David stern? 14
- A I don't know. 15
- 16 Q Do you know when approximately the offshore

- 17 casesums were begun?
- 18 A It would be so hard for me to say correctly
- 19 without looking back on my life at that time there. It
- 20 was probably when we moved in the new building, which is
- 21 the building now located off of Pine Island, the 900.
- 22 900? Q
- sucraucon 23 Yeah. Maybe six months after we moved in А
- 24 there.
- 25 When did you move in there? Q

- A I want to say July or August. 1
- 2 Of what? 0
- 3 Of '08. Α
- So towards the end of '08, beginning of '09 is 4 0
- when you started hearing about the Guan and the 5
- Philippines companies? 6

Yes.

- Did you use process servers? Ο
- 9 Yes. А
- 10 Q Did you have process servers in-house or were
- 11 they hired out?
- 12 They were hired out. А
- 13 Q Do you know what company you used?

- 14 A G&Z and ProVest.
- 15 Q GNZ?
- 16 G and like the little --А
- 17 Ampersand? Q
- 18 Yeah. А
- 19 G&Z? Q
- 20 Correct. А
- 21 Q And what else?
- 22 A ProVest.
- raud.com Did you have any ProVest or G&Z employees at 23 Q
- 24 the Offices of David Stern?
- 25 A I believe they were there but since we
- 1 occupied so many floors and there were so many people
- 2 there there's a lot of things that a lot of us didn't
- 3 know.
 - Right.
 - It was more or less what was being said. I А
- 6 believe now they occupy an entire floor of David Stern's
- 7 office.
- ProVest? 8 Q
- 9 A Yes.
- 10 Q It's ProVest?

- 11 A Yes.
- 12 Q Are they hired by David Stern? Are they paid
- 13 by David Stern or are they paid by ProVest? I'm trying
- 14 to find out whose employees they are if you know.
- 15 A I don't know.
- straud. com 16 Are they not using G&Z anymore to the best of O
- 17 your knowledge?
- 18 A No, I believe they still are.
- 19 So both? Q
- 20 Yes. A
- Did you ever hear of any problems with service 21 Q
- of process, any complaints? 22
- Those were daily phone calls. 23 А
- 24 Could you tell me about them. 0
- People were not served. 25 А

- How did they know they weren't served?
 - Well, some of them would go to do
- 3 modifications on loans or go to take out other things
- 4 and it would come up that they were in foreclosure and
- 5 they would end up finding out that way that they was no
- 6 actual service on them. I had tenants that were served
- 7 saying that they were the property owners and they

8 weren't the property owners. Service was a complete

9 mess.

- At whose direction was service perfected? 10 Q
- 11 Cheryl Samons. А
- 12 Q Did Cheryl Samons to the best of your
- 13 knowledge tell the process servers just to serve

14 anybody?

- 15 A I don't know that she told them that but when
- ud.com 16 we would get the phone calls it would be what she would
- 17 call a business decision on whether the service was
- 18 completed or not. We were directed to do whatever she
- 19 said.
- Didn't the process server deliver a return of 20 0
- 21 service?

24

22 А Yes.

Yes.

- 23 And would they say that it was served? Q
- And oftentimes they weren't? Is that what

- 1 you're saying?
- 2 A Correct.
- 3 Q Did you have times when service was attempted
- 4 numerous times or on people that did not live at the

5 property?

- 6 A I don't understand.
- 7 One property might have two owners; a husband O
- and a wife. 8
- 9 A Correct.
- 10 But then the law firm would send out a O
- Frand.com subpoena for tenants A,B,C,D,E,F,G and get ten service 11
- fees for only two people? 12
- A Oh yeah. That was done regularly. 13
- Q Was that done intentionally to build up the 14
- 15 service fees?
- 16 A I would assume so. If you're serving the
- defendant at the property you can't serve Jane and John 17
- Doe if you've already served the defendant there, 18
- 19 correct?
- Q If you say so. So they would send out 20
- multiple services? 21
- Correct. There was always a Jane and John 22
- Doe. Sometimes there would be a spouse, unknown spouse,
- 24 spouse, unknown spouse. In other words, if it was Mary
- 25 Jane it would be the unknown spouse of Mary Jane. Then

1 if it was James it would be the unknown spouse of James.

- 2 They changed it periodically on how they did it.
- 3 0 They'd also add tenants?
- 4 Correct. There was a fee for everyone. А
- 5 Do you know what the fees were? 0
- 6 A I believe it was forty-five dollars for
- service at one attempt. Obviously two attempts was the 7
- raud.com ninety dollars. Anything out of state was a hundred and 8
- eighty dollars. It was out-of-state notices of action. 9
- 10 They did skip tracing. They charged an additional (ex
- believe that was eighty. 11
- 12 Q Did they do the skip tracing?
- 13 A I can't guarantee that. They said they did
- 14 it.
- 15 Who was billed the forty-five dollars? Let's 0
- 16 just say it was the one service. Who was billed?
- It goes back to the borrowers. 17 А
- 18 Eventually?
- Well, it goes into your Affidavit A's and it's 19
- part of your service.
- 21 Right. Okay. Before that. Because the Q
- 22 homeowner or the borrower or the defaulted one might not
- 23 pay so the process server has to get paid. Who pays
- 24 them?
- 25 A I would imagine it comes from the banks where

- 1 it's being billed to.
- 2 It's being billed to the banks? 0
- 3 Correct. А
- 4 It's not being billed to David Stern? 0
- 5 Well, David Stern pays the bills but in return А
- 6 I would imagine he's getting paid by the banks from what
- we know. I don't know that for sure. 7
- Q Do you ever have any reason to believe that if 8
- the process server served one forty-five dollar bill 9
- 10 that it went into the affidavit as two or three?
- I'm not sure I understand 11 А
- If the affidavits that were filled out by Law 12 0
- Offices of David Stern reflected the actual bill that 13
- was billed or did they bill the homeowner more? 14
- There was always a fee for the Jane and John 15 А Does in the bill. The bills always consisted of the
- 16
- defendant, an unknown spouse of the defendant if there
- wasn't a spouse, and always a Jane and John Doe. 18
- 19 So they were always billed for four of five? Q
- 20 Correct. А
- So the bill came in to David Stern for four of 21 Q
- 22 five?

- 23 А Correct.
- 24 Q Now, that bill was probably paid by David from
- 25 the bank's money or whatever?

- 1 A Correct.
- Fraud.com 2 Q Now, this four of five is going to go on an
- 3 affidavit of indebtedness?
- 4 A Correct.
- Q Was it always just four of five? What I'm 5
- 6 trying to ask you is was the bill ever inflated for the
- 7 homeowner?
- A I would say it was inflated if they are 8
- charging for a Jane and John Doe. Did we change what 9
- 10 the actual bill said?
- 11 Q Yes

13

team.

- No, we didn't. Not that I'm aware of on my 12
- Okay. About what percentage would you say of Q
- 15 the people that were served actually got service?
- 16 A It became such a nuisance for me that I
- actually would tell the people that claimed -- they were 17
- 18 serving people with the same names and they would call
- 19 and say I'm not this person. So to protect, you know, I

- 20 basically said you need to send a letter to the firm
- 21 because it became such a nuisance. Those were most of
- my calls during a day. Any given day I'd probably have 22
- a hundred different calls and most of it was service. 23
- So fifty percent of the people? 24 0
- 25
- 19 Q Let's go to the assignments of mortgage. They will be the set of the set 1
- 2 were prepared in-house?
- 3
- You're smiling. You want to tell me about 4 0
- 5 them?

- 6 A Assignments were done sometimes after the
- 7 final judgement was entered.
- Do you know why that is? 8 Q
- 9 Because that's what we were directed to do by
- So the lis pendens is filed and you don't have Q
- an assignment in some cases? 12
- 13 A Correct.

Cheryl.

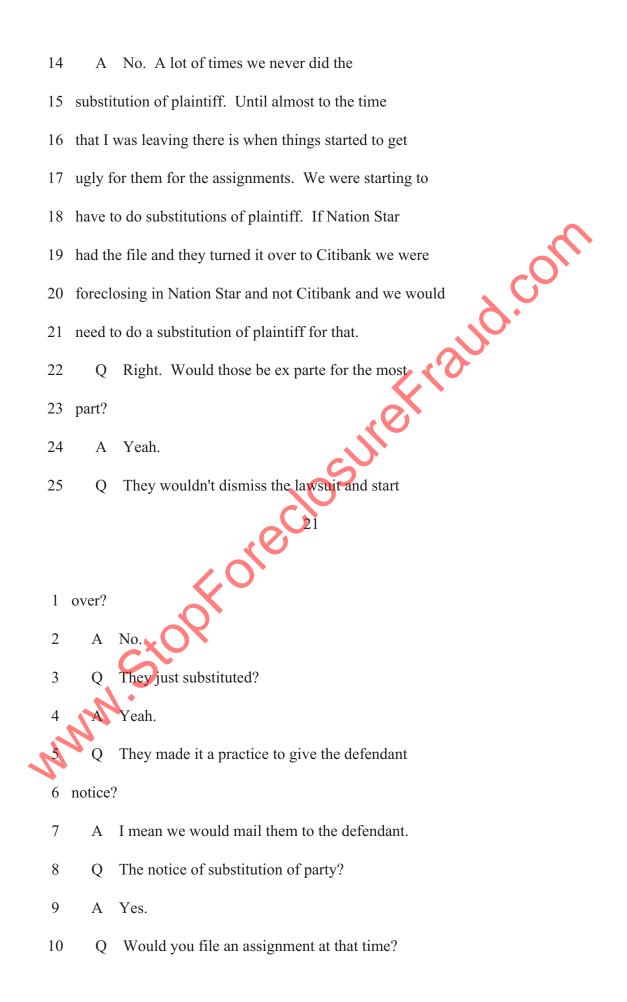

- 14 When there was an assignment was it usually to Q
- 15 the plaintiff or could it have been to someone else
- 16 other than the plaintiff?

- 17 Someone else other. А
- 18 Q Other than the plaintiff?
- 19 Yeah. А
- 20 Other than the plaintiff institution that was Q
- 21 actually in the lawsuit and got the final judgement then
- refraud.com there would be an assignment to lender somebody else? 22
- 23 Well the lenders switched a lot in David's А
- 24 firm.
- 25 Q Meaning?

A Meaning that a lot of the times they were 1

changing. Say Aurora had the file. They transferred it 2

- 3 over to TCFM.
- Why would they do that, do you know? 4 Q
- I'm not aware of that, no. 5 А
- 6 You're not aware --0
 - I do not know why they did that.
 - You're aware of it happening? Q
- 9 Oh yes. А
- 10 Q You're not aware of why?
- 11 Right. А
- 12 Would the change the plaintiff in the lawsuit Q
- 13 or would they just leave it alone?

- A Sometimes. Sometimes they were already filed. 11
- 12 Sometimes we would have to change it. It depended on
- the file. It depended on how long it had been with the 13
- firm. Those were business decisions that Cheryl made on 14
- a regular basis. 15
- Fraud.com Q Do you know what her business decisions were 16
- 17 based on?
- 18 A Nope. Nobody questioned that.
- 19 Can you tell me the execution of the Q
- 20 assignments, how it worked?
- 21 A Assignments were prepared again from the
- casesum. All of our stuff comes from the casesum. They 22
- would be stamped and signed by a notary or not. Per 23
- floor we had a designated spot to place them and Cheryl 24
- would come once a day and sign them. 25
 - 22
 - Sign them as what?
 - As ---
- For the bank? 3 Q
- 4 Correct. А
- 5 Or for MERS or whoever it was for? Ο
- 6 A Correct.
- 7 Q Would these notaries be there watching her as

- 8 she signed?
- 9 A No.
- She would just sit there and sign stacks of 10 Q
- 11 them?
- 12 A Correct. As far as notaries go in the firm I
- surer and com 13 don't think any notary actually used their own notary
- stamp. The team used them. 14
- 15 There were just stamps around? 0
- 16 А Yes.
- And you actually saw that? 17 Q
- 18 I was part of that. А
- 19 You did it? Are you a notary? Q
- 20 No, I'm not. А
- 21 Did you sign as a witness? Q
- 22 I did not. L signed as a witness on one А
- document and after that I decided that I didn't want to 23
- put my name as a witness anymore. 24
 - Tell me about the stamps. You stamped them?

- 1 A Yeah, I had stamps. Each team had a notary on
- them or notaries that I was aware of. Whether they were 2
- 3 or weren't wasn't --
- 4 O You had stamps?

- 5 A Correct. We would stamp them and they would
- 6 get signed.
- 7 Stamp them in blanks? O
- 8 A Yes.
- 9 Who would sign them? 0
- surefraud.com 10 Other people on the team that could sign the А
- signature of the person or just a check on there or 11
- 12 whatever.
- 13 Was that common practice? Q
- 14 Yes. А
- 15 Was that standard practice? Q
- 16 А Pretty much.
- What about the witnesses? 17 0
- Those would be signed by juniors who were --18 А
- 19 Q Standing there?
- Here, sign this. It has to go to Cheryl, sign 20 А
- it. Then it would go and sit at the desk where Cheryl 21
- 22 would sign everything.
 - Out of view of the notary and out of view of Ο
- the witnesses? 24
- 25 A Correct.

1 Q Do you know who implemented this procedure?

- 2 A Cheryl.
- 3 Q Cheryl did?
- Um-hum. 4 А
- 5 Did anybody else sign with the firm for the Q
- 6 banks?
- 7 Yes. А
- 8 Who was that? Q
- 9 A There were people that were responsible for
- No.com signing Cheryl's name. Cheryl, Tammie Sweat, and Beth 10
- Cerni. Those were the only three people that could sign 11
- 12 Cheryl's name. If you ever look at assignments you'll
- 13 see that they are not all the same.
- 14 MS. EDWARDS: What are the names again?
- Cheryl, Tammie? 15
- THE WITNESS: Tammie Sweat and Beth Cerni. 16
- MS. EDWARDS: Could you spell that. 17
- 18 MS. CLARKSON: C-E-R-N-I.
- MS. CLARKSON: 19
 - Did they practice Cheryl's signature? Q
- 21 I would assume so. А
- 22 Q Did you ever see them?
- Not practicing but I've seen them sign it. 23 А
- 24 Did you see somebody sign Cheryl's name? Q
- 25 А Yes.

- 1 That wasn't Cheryl? Q
- 2 Yes. All the time. А
- 3 Did Cheryl know about this? 0
- 4 Yes. А
- 5 Was it at her direction? Q
- 6 A Yes.
- 7 What was her position with the firm? Q
- raud.com A When I started she was David's paralegal and 8
- had the team that I had. When we transferred into the 9
- 10 new building she became this COO of the company.
- Q Was that going on when you transferred 11
- buildings and when she was the COO? 12
- She was always the COO. She just never had 13 А
- the title. 14
- But now she has the title? 15 Ο
- Correct. 16
 - Did the practice still continue? Q
- 18 Oh yes. А
- 19 With the signatures? Q
- 20 Correct. А
- 21 So even though she became the COO her job Q
- 22 description didn't change?

23 A No.

24 She continued to pretty much run the office? Q

25 Oh yes. А

26

- 1
- 2 know?
- 3
- A Because Chervlan 4
- think that he was aware of this? 5
- 6
- 7 David knew the practice that was going on. David's
- 8 office happened to be right outside -) I sat right in
- front of David's office. I'm well aware of what 9
- 10 transpired. Cheryl's office was here. Around the
- corner was David's office. Everything was in the loop. 11

He was well aware of what was going on. I mean, you 12

- could hear the screaming conversations. Nothing was 13
- really a secret on the fourth floor because that's where

15 Cheryl is.

- 16 Q Who was screaming at who?
- 17 They were screaming at each other. А
- They were screaming at each other? 18 Q
- 19 A Yes.

20 Do you know over what? Q

21 А Files not moving fast enough. Just stuff like

- 22 that.
- 23 Business stuff? 0
- 24 A Correct.

- 27 1 executed if Cheryl one, two, or three ever read them? 2 A No, they were never read. 4 O They were just signed? A Correct. Q How many a day do-A

- A Oh goodness. Each floor would probably 6
- 7 produce two, two-fifty a day.
- 8 So somewhere between four and five hundred a 0
- day easy 9
 - There's eight floors I believe.
 - And each floor did two to two-fifty? Q
- 12 Yes. We all had our own spot. There was a А
- 13 table approximately this big.
- So you sat at a conference table? 14 Q
- 15 A No, we didn't sit at it. We just piled our
- 16 files there.

- 17 MS. EDWARDS: For the record, the table is
- 18 approximately ten feet long by three feet wide.
- 19 THE WITNESS: Correct.
- 20 MS. EDWARDS: Would be piled.
- 21 THE WITNESS: Correct.
- BY MS. CLARKSON: 22
- retraud.com 23 Q With files ready for assignment signatures and
- 24 notaries and witnesses?
- 25 A Correct, yes.

- Where would these files go then at that point? 1 0
- Then we would get an email saying come get 2 А
- your files, they've been signed by Cheryl. 3
- 4 0 So this was an assignment signing table?
- 5 Correct. Assignments or Affidavit A's that А
- she was signing. 6
 - What's an Affidavit A?
 - The indebtedness affidavit.

9 Okay. Q

- 10 A I think that's all Cheryl signed for. I think
- Beth signed for the rest. There's your Exhibit E's. We 11
- 12 had different exhibits. That's how they signed them.
- 13 When Cheryl was out of the office Tammie would sign them

- 14 or Beth would go sign them.
- 15 Q Beth would sign but it would say Cheryl
- 16 Samons?
- 17 Correct. Α
- 18 And Beth would be the signer? 0
- 19 Correct. А
- 20 Or Tammie Sweat? Q
- A Right. They were located on different floors. 21
- J.d.com The GMAC team was on the fifth floor. Beth Cerni would 22
- sign for the entire GMAC. If Cheryl had already gone to 23
- the table and signed everything and you needed to sign 24
- 25 something to get it out you would go to one of them to nec29
- sign it immediately 1
- 2 Then these assignments would go where? Q
- 3 In the file. А
 - Would they ever be sent to the recorder's

Yes. 6 А

office?

- 7 O And they were recorded?
- 8 Yes. А
- 9 Q And when you got them back from the recorder's
- 10 office would they be filed in court?

They were supposed to be. I wasn't in court 11 А 12 to know them. We sent them out occasionally to be 13 recorded. It became a more stiffer practice after I 14 guess there was a problem where the notary date didn't aud.com 15 match the date of the assignment being initiated. There 16 were basically three dates on there. The dates were all different. 17

- 18 Right. Q
- A So at that point there was a huge meeting in 19
- the building by Beverly McComas and Miriam Mendieta who 20
- 21 were the controlling attorneys there. Basically we were
- told if anyone sent out an assignment with the dates not 22
- being the same on them that they would be fired 23
- immediately. 24
- Why would the dates on the other ones have 25 0

- been three different dates? What would cause that? Poor practice, not paying attention, not
- knowing that it was supposed to be that way from the 3
- 4 initiation. Basically they didn't train us to do it.
- You have people just typing in. Their being honest and 5
- 6 tying in this date as the date as being assigned but it
- 7 was executed six months ago. The dates would be

- 8 different for that. The issue became then the notary
- 9 would sign it tomorrow and date it tomorrow.
- 10 So those attorneys knew this was going on? Q
- 11 А Yes.
- 12 Q Can you give me the names of the attorneys
- 13 that knew?
- 14 Every attorney in the firm. А
- Frand.com 15 What do you mean every attorney in the firm? 0
- 16 Well, Beverly McComas. А
- Can you spell that, please. 17 Q
- 18 M-C-C-O-M-A-S, I believe and Miriam Mendieta А
- 19 were the controlling attorneys.
- 20 They were the controlling attorneys? 0
- Correct. They controlled the attorneys and 21 Α
- Cheryl controlled the paralegals and anybody else. 22
- 23 Okay. Q
- 24 So they would inform the attorneys what they А anted. They happened to be at the meeting for the 25
 - 31
- 1 assignments. They pulled us in by team since there were
- 2 so many of us and told us this is what it needs to be.
- 3 They got in trouble for it and this is what needs to be
- 4 happening now. Make sure that the date that it was

- 5 supposed to be executed is the same date that you're
- 6 signing it even though it could have been six months ago
- and Cheryl is signing it today. 7
- 8 But make the dates match? 0
- 9 A Correct.
- 10 Regardless of the date it is today? 0
- 11 Correct. А
- uerraud.com 12 Okay. And that's the same for the notary? Q
- 13 A Correct.
- And the date printed on it? 14 Q
- 15 Correct. А
- 16 And the date that's actually typed in? 0
- 17 Correct. А
- 18 Make sure they're all the same no matter what Q
- day it is? 19
- 20 А Correct.
- The two lead lawyers, what was their title? 21 Ο
- Were they senior attorneys? 22
 - No. They didn't really have a title. Most А
- people were just afraid of them. 24
- 25 Q Why is that?

1 A Because they were mean and nasty. They were

- 2 very mean.
- 3 Q In what way?
- They would demean you. They would yell and 4 А
- 5 scream at you.
- 6 Q Condescending?
- Frand.com 7 A Oh yeah. They would make you look like an ass
- in front of the entire firm. 8
- 9 Q What about the other lawyers that they
- 10 controlled?
- A They were just there to get by on what they 11
- 12 were doing.
- 13 The other lawyers? 0
- A Yes. Most of the lawyers had issue with them 14
- but it was their job. 15
- 16 Did anyone quit as far as you know due to the Q
- practices? 17
- 18 I'm sure but they wouldn't come right out and А say I quit because of the practices. I know that people 19
- had left because they were uncomfortable with the things 20
- 21 that they were being asked to do, as most of us were.
- 22 When it got really sticky there were a lot of us that
- 23 weren't here.
- What does really sticky mean? 24 Q
- 25 А They wanted us to start changing the documents

1 and stuff and doing stuff that we weren't supposed to be

2 doing as far as service.

3 Q What documents did they want you to change?

4 A Manpower documents. A lot of judges started

5 requiring, because of the Jane and John Doe issues,

6 required that you have a military search for all the

7 defendants. If you named a Jane and John Doe as an NKA

- 8 you had to pull a military search on them. Unless you
- 9 have somebody's social security number technically you
- 10 can't pull a military search supposedly.

11 The program that we used for the program that

12 we used, you could put in the main defendant's social

13 security and John or Jane Doe's name and it would give

14 us a military search saying that they were in the

15 military.

16 You would get their social security number 17 because the bank documents contained it?

18 A Correct. The lenders, the referrals had the

19 socials.

20 Q Did you put the social in on everybody to find

21 out their address for service?

22 A Not everybody. I personally did not do it

- 23 because I refused to do it. I wasn't going to falsify a
- 24 military document. I was told that that's fine,
- 25 somebody else on your team will do it.

Jd. com

- 1 Q What do you mean falsify a military document?
- 2 A Well, I'm using the main defendant's social
- 3 security number on somebody else's name, not his name.
- 4 John Doe and the main defendant was James, I was taking
- 5 James' social security number and putting John Doe's
- 6 name in there. I wasn't but that's what the practice
- 7 was. The judges started saying we're not going to
- 8 consider service completed until
- 9 Q There's a miliary search?
- 10 A Correct.
- 11 Q So why wouldn't they use the right social
- 12 security number for the right person?

13 Because you don't have a social for an NKA or

- 14 unknown tenant. They wouldn't enter a final judgement
- 15 unless the military doc was there.
- 16 Q So you just used anybody's?
- 17 A Correct.
- 18 Q Did Stern know about that practice?
- 19 A Do I know if he knew personally, no. I can

- 20 tell you that Beverly and Miriam sent emails to the
- 21 attorneys telling them that that is what to be done and
- if the paralegals would not do it then they are 22
- 23 responsible for doing it. That wasn't an option.
- 24 So there were emails directing --0
- 35 1 I was told by my own attorney because I told my attorney 2 I'm not doing this. I'm not doing it. I refused Q When you say you

- 4 you talking about the attorney at the firm
- 5 A No. I'm talking about my attorney from my
- 6 team.
- 7 0 That's what I mean. At the firm.
- 8 А Yes.

9 Not your personal attorney? О

- No, no, no. 10
 - The attorney you worked for? What attorney Q
- 12 was that?
- 13 А Stephanie Burke.
- 14 B-U-R-K-E? Q
- A Yeah. She got married and I don't know what 15
- 16 her married name is. Stephanie Burke was my attorney at

- 17 that time. That's who I had that conversation with.
- 18 She is the one who told me that there was an email sent
- and she couldn't believe that they had actually sent an 19
- 20 email saying that.
- herrand.com 21 Q When the affidavits were created for
- indebtedness who were they created by? 22
- 23 A Us.
- 24 Paralegals? 0
- 25 A Paralegals, juniors, yes.

1 Where did you get your figures from? 0

2 A We had sites we would get the information from

- the lenders on. 3
- 4 Okay. 0

They were just typed in by us based on the 5 А

- information that they gave us. If we couldn't figure 6
- something out Cheryl would help us do it. 7
 - What about your costs and attorneys fees? Ο
- 9 Those were standing, except for if they had А
- 10 what they considered a litigated file.
- A contested file? 11 Q
- 12 A Yes. They would do a memorandum of law and
- 13 charge the litigation fees that were permitted.

- 14 Q Do you know what those litigation fees were?
- 15 A I believe it was \$175 for two hours is what
- 16 they allowed.
- 17 Q What about just a standard non-contested
- 18 foreclosure?
- 19 A Originally the fees were twelve hundred and

- 20 then they went to thirteen.
- 21 Q What about costs?
- 22 A Costs were title searches. All that stuff was
- 23 broke down. Probably somewhere about \$475. At one
- 24 point we were putting postage in. Until probably June
- 25 or July of last year postage was going in and we weren't
- 1 supposed to be doing that either. That was \$1,650 I
- 2 think that we had to back out of most of -- you had your
- 3 title searches, your GAP. That was on Exhibit B. On A
- 4 the costs were there but everything was broke down on B.
- 5 That's what they'd put in there.
- 6 Q Were these figures that they put in the
- 7 affidavits supported by documentation?
- 8 A I didn't have an invoice for it. It was
- 9 standard. It was automatically plugged into our
- 10 documents.

- You didn't plug it in? 11 Q
- 12 А No.
- Who plugged it in? 13 Q
- 14 A It was just automatically there in our
- 15 program, yes.
- 16
- ...at what you said you did? ...aced with the bank's computer or site? A Yes. For the most part your UPB was put in at esum time.) Okay. 17 much the bank was owed? Is that what you said you did?
- 18 You interfaced with the bank's computer or site?
- 19
- 20 casesum time.
- 21
- 22 A As a paralegal it would be within our job to
- make sure that the figures matched on the Affidavit A 23
- and B before you actually typed out your MSJ, your 24
- motion summary judgement. They were already there. 25
 - 38
 - Everything just plugged in.
 - But over time it changes.
- 3 Correct. А
- 4 So how did it get changed? 0
- 5 A We would have got go in and change it but the
- 6 UPB never changes from the initiation of the -- in other
- 7 words when we get the referral from the lender, that

- 8 stays the same. What changes are the other costs.
- 9 Ο What if a homeowner made payment?
- 10 That was never there. А
- 11 If that happened it was never reflected? Q
- 12 A No. There was instances where the UPB should
- 13 have been different than what it was, but again, that
- Fraud.com was a business decision made by Cheryl based on where we 14
- 15 were at on the file. If we were ready to get judgement
- 16 on it she would just --
- Q So there's instances that you're aware of 17
- where the affidavit of indebtedness used to get the 18
- foreclosure was incorrect? 19
- 20 Correct. А
- 21 And lawyers and/or COO of the firm knew this? 0
- Well, I knew Cheryl knew because as a 22 А
- paralegal I would have to go to her and say we filed 23
- this and it was this and this amount off and she would 24
- just say just go with it.
- 39
- 1 0 So who is it that's signing these affidavits?
- 2 Cheryl. А
- Did she sign them all? 3 Q
- 4 A Again, the same amount of companies, yeah.

- 5 Beth and Tammie signed. Anybody who signed Cheryl's
- 6 name would be those three.
- 7 Q All of these affidavits, were they like the
- assignment table? 8
- 9 A Yeah. They all went together. It was either
- 10 assignments or affidavits on the table.
- urer and. com 11 Q But these affidavits would be signed by Beth,
- 12 Tammie, or Cheryl?
- 13 A Correct.
- All signing Cheryl's name? 14 Q
- 15 Correct. А
- 16 Were they ever read or just signed 0
- They were just signed 17 А
- 18 Did you ever see them just being signed? Q
- 19 А Yes. Sometimes we would just go home with a
- signature page because of the way we were told to do 20
- things. If you look at the Affidavit A's they are two 21
- pages for a reason. The signature page is on one and 22
 - the costs are on the other.
- 24 And you just slap them together? Q
- 25 A Correct.

1 Q You said sometimes we would go home with

- 2 stacks of them? Is that because you signed?
- 3 A No.
- 4 So what did you mean? Q
- 5 What do you mean? Α
- 6 Who would go home with stacks of them? 0
- 7 А
- 8 Q
- 9 А
- 10 Q
- 11 А
- from home would obviously take --12
- 13 0
- Lat home. Ady. So any paralegal who had the right to work where would obviously take --'ake the files with you? 'ell, not' A Well, not the whole file but the paperwork 14
- that I needed to type my motion or whatever it was that 15
- 16 I was doing that I needed to have. That practice
- changed again before I left being another practice. 17
- What was that practice? 18 О
- Well, I guess there was an instance where 19
- Cheryl wasn't allowed to sign anymore for the
- affidavits. 21
- 22 Q Why is that?
- 23 A I don't know that we were actually privy to
- 24 it. We were just told I believe there was a court
- 25 hearing of some sort. We were just told by Beverly and

1 Miriam this is the way it's going to be done. I think I

2 want to say March 19th just because that sticks in my

3 head.

4 Of this year? Q

5 A Of last year. From that forward anything

et auto. com 6 signed by Cheryl was not usable because she got in

trouble or something. 7

8 Okay. Q

- 9 So what we had to do from that point, again А
- 10 the affidavits were still split in two pages, at that

point we were supposed to be sending them back to the 11

- banks to be signed now. The problem being that a lot of 12
- times we wouldn't get them back or executed in time for 13
- the hearings. So we had what they called signature 14

pages that Tammie Sweat or someone else would have in 15

their possession. If we couldn't get it back from the 16

bank executed in time we would just take a signature

- page and put it on the affidavit. 18
- 19 Q What was on the signature page?
- 20 The signature and notary from the bank. А
- 21 Were these documents photocopied or were they Q
- 22 original documents?

- 23 Some were photocopied. Α
- 24 How would you get that many from a bank Q
- 25 original? The bank supplied them to you.
 - 42
- A Well, what would happen would be like if I had 1
- 2 file A and that one didn't go to hearing because there
- 3 was something wrong with it and file B was going to
- 4 hearing but it was the same bank, I would take the
- signature page from A and give it to B. 5
- 6 Oh give it to another file? O
- And just re-execute this file. 7 А
- Okay. That was common practice? 8 0
- 9 Yes, after Cheryl couldn't sign. Α
- Did Cheryl know? 10 Q
- 11 А Yes.
- 12 Cheryl knew about all the practices because Ο
- she is the one who ran the office? 13
 - She was the one who implemented them. А
- 15 Were there any other activities or practices Q
- 16 over at David Stern's firm that made you feel
- uncomfortable or that you were unwilling to do? 17
- A I don't know how to answer that question. 18
- 19 It's a loaded one.

- 20 Q Take your time.
- 21 A Yeah. Some of the things that were done there
- 22 just were not on the up and up.
- 23 Q Explain to me in as much detail as you can
- 24 what those things were.
- 25 A I don't even know where to start with it.
 - 43

and cou

- 1 Personal vendetta, work, their practices weren't nice
- 2 Q I'm more concerned with their legal practice
- 3 than with their attitudes.
- 4 A We had lost notes. That was another common
- 5 practice. That's our Exhibit E's
- 6 Q Explain to me about the lost notes, how that
- 7 worked?
- 8 A Well, I believe Beth Cerni was the only one to
- 9 sign for those but I'm not a hundred percent sure on
- 10 that one either because they all signed for them. The 11 lost note would be if we lost the note in-house it's an
- 12 affidavit that you type up saying that the note was
- 13 lost.
- 14 Q Okay. Tell me how those were generated?
- 15 A The same way everything was generated in that
- 16 office.

17 Were there a lot of lost note affidavits? Q

18 A We had quite a few. More than we probably

- 19 should have.
- 20 Did you lose them in-house? Q
- 21 Yes. А
- 22 Did you ever find them again? Q
- 23 A Not that I'm aware of. The practice of the
- ry outor 24 documents like mortgages and notes was really very

25 disarray.

How so? 1 0

2 A Well, there were a lot of young kids working up there who really didn't pay attention to what they 3 were doing. We had a lot of people that were hired in 4 the firm that were just hired as warm bodies to do work. 5 The training process was very stupid and ridiculous. 6 The girls would come out on the floor not knowing what 7 they were doing. Mortgages would get placed in 9 different files. They would get thrown out. There was 10 just no real organization when it came to the original documents. 11

- Q So if the original note was lost who would the 12
- 13 affidavit be executed by?

- 14 A Beth Cerni.
- 15 Q Beth Cerni did them all?
- 16 She signed them. We executed them. We typed А
- 17 them up.
- 18 You drafted them? 0
- 19 Correct. А
- 20 She executed them? Q
- 21 А Correct.
- 22 She signed them? Q
- 23 Correct. А
- 24 Did she sign them all? Q
- 25 A As far as I know.
- ecastic contraction of the contr Did anybody have her signature as well? 1 Q
- I never took it to anybody but her. 2 А
- Did she sign them? 3 0
 - Yes, she did.
 - Were they to be notarized? Q
- 6 I believe so. А
- 7 Q And if they were to be notarized how would
- they get notarized? 8
- 9 A The same way.
- 10 Q The same way as the practice you spoke about

- 11 earlier, just stamped?
- 12 A Correct.
- Not in front of the witness? Not in front of 13 Q
- 14 the signer?
- 15 A Correct.
- 16 These documents were then used as exhibits to Q
- 17 motions for summary judgement?
- aud.com 18 A Correct. The memorandum of law that we were
- doing was also -- that says we're litigating the file 19
- and the files never left the paralegal's desk. It was 20
- 21 never actually litigated in any way, shape, or form on
- 22 most of them.
- Q Were most of the judgements default 23
- 24 judgements?
- Default meaning? 25 А

That the homeowner just never fought it. They defaulted so you get your judgement?

- 3 A Not a lot of defaults were entered, no. They
- 4 responded. The problem is that the practice was so
- 5 large that there was never actually -- I had actually
- 6 been yelled at for trying to talk to homeowners on the
- 7 phone. You're giving them too much time. Start

8	working. I worked for hospice for twelve years before I
9	went to David Stern so I just thought that there might
10	be some kind of compassion. I would try to deal with
11	what wasn't being done proper.
12	We were directed that that was not what our
13	job was to do. Our job was to run the team and type the
14	MSJs, get them out the door. Get the judgements
15	entered. Everything was about getting the judgement
16	entered because we have to report back to the banks. We
17	had to do chronological things that were sent to them
18	that were also obviously changed and fudged because the
19	banks, some of them, are very unaware of what the
20	process is believe it or not.
21	Q What did you have changed?
22	A It takes a hundred and twenty days for a
23	foreclosure from beginning to end is what their standard
24	practice is. Some of their files were three and four
25	hundred days old because of the mishaps of going to
L	47

- 1 court and not having the proper documentation, not
- 2 having the note, the mortgage. The judge would kick it
- 3 back for militaries. That's when those practices would
- 4 come in where it would just be do this regardless of

5 what was said. Just do it. Get it done. Get the file

6 out of here.

- 7 Q Like sign the affidavit. Switch the page.
- 8 A Correct.
- 9 Q Have it notarized with somebody's stamp, we

10 don't care who.

11 A Correct. Cheryl's big thing was moving the

Jud. com

- 12 file. She didn't care how it got moved.
- 13 Q Do you know if attorneys got any bonuses for
- 14 the number of foreclosure final judgements it got?
- 15 A Not that I'm aware of.
- 16 Q Do you know if lawyers got paid more if they
- 17 worked on the weekends?
- 18 A As far as I know
- 19 Q As far as you know yes?
- 20 A Yes
- 21 Q Anything else at the firm, their practices
- 22 that made you feel uncomfortable legally speaking?
 - A I was gonna say that's a loaded question

24 again.

25 Q I'm not speaking of personality-wise.

- 2 doing things the way they did was just wrong in itself.
- 3 0 This was on a daily basis?
- 4 A Oh yes. This was how we kept our jobs and
- 5 they were threatened if not. It was just a warm body.
- Jiefraud.com They would produce and produce and produce. All they 6
- cared about was getting the file out. 7
- 8 Q Did you ever hear of any of the lawyers talk
- 9 about the practices and being in fear of being
- 10 disbarred?
- 11 Yes. А
- 12 What was said? Q
- 13 A Just that they were in fear of what they were
- doing and that they knew that they could get in trouble 14
- 15 for it.
- They acknowledged it? 16 Q
- 17 Oh yeah. А
- 18 They acknowledged it to you or did you hear 0
- them acknowledging it to each other? Do you know who 19
- these people are? Could you give me a name or two of 20
- someone that you actually know said that? 21
- 22 А Do I have to?
- 23 I would appreciate it, yes. Q
- 24 THE WITNESS: Doug, do I have to?
- 25 MS. CLARKSON: Yes.

- 1 THE WITNESS: He's not even listening to me.
- 2 A I was friendly with a few of the attorneys.
- surer and. on There was an attorney that I was very close with. Her 3
- name is Cassandra. 4
- BY MS. CLARKSON: 5
- 6 Q Cassandra what?
- 7 A Rigaud.
- 8 Spell it. Q
- 9 A R-I-G-A-U-D.
- She knew and she was scared? 10 0
- Oh yeah. Their jobs were threatened. Their 11 А
- 12 jobs were threatened. Like everybody else they have a
- family. There's a few. Daphne is one. 13
- Daphne who? 14 Q
- 15 Tako. А
- Г-А-С-О?
 - T-A-K-O. A
- 18 MR. REGAN: What's the first name? Was it
- 19 Daphne?
- 20 THE WITNESS: Yes.
- 21 MR. REGAN: Thank you.
- 22 BY MS. CLARKSON:

- 23 Q Go ahead.
- A I guess the attorneys that left the firm left
- 25 for the nasty practices that were going on.

- 1 Q Their jobs were threatened if they didn't do
- 2 it?
- 3 A Yeah. They would basically say this is what
- 4 you're going to do or you can find another place to
- 5 work, which a lot of them did because the practices just
- 6 became overwhelming for everyone. The responsibility
- 7 that they expected people to have was above and beyond
- 8 what a human could actually do as far as case loads.
- 9 Q Were they paid well
- 10 A Not from what I hear, no. I believe that they
- 11 were very underpaid. I don't think there was an
- 12 attorney there that didn't complain about the salary.
- 13 Most of them would be what we would call newbies. They14 were just learning to stand in front of a judge, you
- 15 know, litigate. That's why they stayed there. They
- 16 would stay a year and they would just go because they
- 17 knew it wasn't safe practice. They were newbies and
- 18 they were well aware of it.
- 19 Q And they were scared?

20 A Oh yeah.

21 Q And they were worried about the possibility of

- 22 maybe getting disbarred?
- A Yes.
- 24 Q Did they as far as you know bring that to Mr.
- 25 Stern's attention?

51

- 1 A I believe that everybody was well aware of it
- 2 Miriam and Beverly were very stern and not nice. The
- 3 people that were in power were very mean and nasty.
- 4 Q Did they ever think that they were going to
- 5 get disbarred?
- 6 A No. They acted like they are above whatever.
- 7 Basically they could do whatever they wanted which was
- 8 the rule of thumb over there.
- 9 Q Regardless of what is required by the law?
- 0 A Correct.
 - Q Was there any reason for David Stern to shred
- 12 any documents? Was there a shredder there?
- 13 A Yeah.
- 14 Q Did he use the shredder?
- 15 A Rumor has it that he used the shredder on
- 16 several occasions, yes.

- 17 Did rumor say what he shredded? Q
- 18 Documents that weren't supposed to be in the А
- files or incorrect things that he was going. There 19
- would be other people privy to that. I was just a 20
- paralegal. 21

- Luiduid you hear of it? A The grapevine is very long there. When you 25 have eleven hundred people working at a building like 52

1 that the grapevine is very long. There's a lot of

things that are said or that are occurring in different 2

- departments that get through the office. 3
- 4 0 Right.
- 5 Since I work directly under Cheryl there was a А
- lot of people for some reason who thought that I was the 6
- person to tell a lot of these things to. I just 7
- listened. I don't really offer any information and
- never did. Yeah, there was practices where audits were 9
- 10 coming in and we had to quickly run and get this
- straight or get that straight. It was mostly on the 11
- 12 Fannie Mae files.
- 13 Q What would you do on the Fannie Mae files?

- 14 I wouldn't do anything. А
- 15 0 What was done to the Fannie Mae files?
- 16 They were correcting the things that they were А
- doing wrong. 17
- 18 Such as? 0
- 19 Well, any practice that I just told you about. А
- and cou Obviously the chronological orders of things. You can't 20
- 21 lie to Fannie Mae. They'll find out, especially when
- 22 they are doing an audit. There was a few instances
- where they were in the office and there were audits 23
- done. People were working overnight in the building to 24
- 25 get them straight.
- Did Fannie Mae ever find out problems with 1 Q
- 2 files?
- 3 I am unaware of any of that. А
- Where did you work before you worked at David Stern?
- I worked for a neurologist. I did research 6 А
- for the FDA. 7
- Q Did you work at any other place in between the 8
- 9 neurologist and David Stern?
- 10 A Just mediocre jobs. I helped my friend with

- 11 his business or something like that. You mean have I
- 12 ever worked at another law firm?
- 13 No. I wasn't asking you that. Q
- 14 A Okay.
- Jud. com 15 Q Did you work simultaneously at David Stern and
- 16 another job?
- 17 A No.
- 18 Okay. Q
- A That was impossible. I worked a lot of hours. 19
- MS. CLARKSON: Can we take a break for a 20
- minute. Do you mind? 21
- 22 THE WITNESS: No, not at all.
- 23 (Thereupon, a brief recess was held.)
- BY MS. CLARKSON: (DIRECT CONTINUED) 24
- Do you know Shannon Smith? 25 0
 - 54
 - How do you know her?

es.

- 3 She works at the firm or worked. I'm not sure А
- 4 if she's still there. She did work at the firm.
- 5 Do you know what her duties were? 0
- 6 A She was a paralegal like me.
- 7 Q Do you know what her duties were?

- The same as mine. 8 Α
- 9 Was she a notary? Q
- 10 As far as I know. А
- 11 Did you ever see her use her notary at the Q
- 12 firm?
- 13 No. We were on two different floors. А
- 14 Was Shannon Smith in your group? Q
- 15 A No. She was with Homecomings I believe. She
- 16 would have been on the fifth floor.
- She admits in a deposition that she took that 17 Q
- she signed assignments. Were you aware of that? 18
- A Yes. I think the whole firm was aware of 19
- 20 that.
- 21 How was it the whole firm be aware of that? Q
- Everybody knew about the deposition where she 22 А
- had changed the dates on the assignments I think three 23
- or four times or so or the dates were different on it. 24
- There was, again, the rumor mill.
- 55
- 1 Q Did you ever hear of any rumors that Shannon
- Smith was also signing as Cheryl Samons? 2
- 3 A No.
- 4 Q You did not know that she may have altered her

- 5 signature?
- 6 A May have, yes, but I was not aware that she
- 7 was doing it.
- 8 Did you hear it? 0
- 9 A I heard it. Anybody in the firm heard about
- that whole instance. 10
- raud.com 11 Why don't you explain it to me what you heard. Q
- 12 A Because it's not my team, it's on a separate
- floor, I really stayed to myself. It was just gossip. 13
- What did you hear? 14 Q
- 15 Just that there was a document that she turned А
- 16 in that was changed a few different times in front of a
- 17 judge in Hillsborough County if I'm not mistaken, if my
- memory recalls me correctly and that she signed 18
- 19 something. I suppose they were saying she signed
- Cheryl's name or Cheryl was saying she signed her name. 20
- That was it really. We were told not to discuss it. 21

Again, if we were caught discussing things like that you 22 would be terminated.

- 24 Beth Cerni was a paralegal, correct? Q
- 25 А I believe so.

1 Q Did you see her practicing law?

- 2 A She was the team lead. She was a manager in
- 3 the building on the fifth floor.
- What else was on the fifth floor? 4 O
- 5 GMAC and Homecomings I believe were the only Α
- ones that occupied the fifth floor if I'm not mistaking. 6
- 7 Beth Cerni was -- GMAC was her team when she started
- with Stern many years ago. 8
- MR. REGAN: Yes. MR. REGAN: T 9
- 10
- 11
- 12 Corporation?
- 13 THE WITNESS: Correct.
- MR. REGAN: Thank you 14
- BY MS. EDWARDS: 15
- Did you ever hear any conversations in the 16 Q
- firm about any particular judges or jurisdictions where 17
- there were problems with getting the foreclosures? 18
- Oh yeah. We knew what judges were what. We 19
- had what they called a bible. The bible contained every 20
- 21 bit of information about every judge and what they were
- 22 looking for. It made our job twice as difficult because
- 23 you had to go by the bible.
- 24 Q Was there any arrangements made with any
- 25 particular judges or jurisdictions on how the

1 foreclosures would be handled by Stern's office?

- 2 I believe the only one that I'm well aware of А
- that is just a large cluster of something is Lee County 3
- hostier auto com judges. They used to do what they call a rocket docket. 4
- It was five hundred files from our firm every other 5
- 6 Friday.
- BY MS. CLARKSON: 7
- 8 Would be filed or heard? 0
- 9 Would be heard. А
- 10 BY MS. EDWARDS:
- Who arranged that? 11 Q
- 12 As far as I know Cheryl Samons and the county. А
- Cheryl and who? 13 Q
- 14 The county. I wasn't privy to that. А
- 15 So how would you find out that --Ο
- Because they would call them rocket dockets. 16
- We had to have five hundred files from our firm prepared
- for it. Originally we had an in-house counsel there or 18
- 19 local counsel there. Then it went to our attorneys.
- 20 Two attorneys from our firm or two attorneys per floor
- 21 would go over to Lee County and do the rocket docket.
- 22 We would load their files into the car.

- 23 Q So that was coordinated with Cheryl with the
- 24 county?
- 25 A As far as I know. They were put on the rocket

- 1 docket basically.
- 2 Q What I'm trying to find out was is Cheryl
- 3 involved in the implementation of the rocket docket?
- 4 A Oh yes. She was responsible for all
- 5 scheduling anywhere. Her Beverly McComas and Miriam
- 6 Mendieta.
- 7 Q How was it that the rocket docket was created?
- 8 A I am not sure. That's what they called it.
- 9 They were going to do a rocket docket. Lee County I
- 10 guess was our largest county for foreclosures at the
- 11 time.
- 12 Q Were you aware of her having any meetings with 13 anyone there to implement or to come up with the idea to
- 14 come up with the rocket docket?
- 15 A No, I'm not aware of any meetings?
- 16 Q Do you know who did that?
- 17 A My guess would be Miriam Mendieta and Beverly
- 18 McComas because they were the controlling attorneys.
- 19 Q They would have been involved in the original

20 implementation of the rocket docket?

21 A Correct. They are the one who assigned

attorneys. They're pretty much the ones that oversaw 22

the scheduling for that. There's a few counties that we 23

- 24 would just send over a sheet of paper that would have
- aud.com 25 your unpaid, who was defaulted, when it was defaulted,

59

- 1 and basic information. From what my understanding is
- 2 when you go over there, as long as there was no response
- from anybody and it isn't contested the judges would 3
- 4 just sign off on them as far as I know
- The final judgements? 5 0
- 6 А Correct.
- So there would be a faxed over document with 7 0
- the basic information about the foreclosure on it and if 8

nobody appeared in opposition the judges would sign the 9

final judgements? 10

> Correct. А

- 12 This was in Lee County? Q
- 13 А Yes. It wasn't faxed. The attorneys brought
- them. So if the judge wanted to look at something the 14
- 15 files were there. That's my assumption. The files were
- 16 just loaded into these attorneys cars and they were

- 17 elected to drive over there. It wasn't a choice. They
- 18 picked which attorneys were going to go each week or
- ever other week whenever they decided to do the rocket 19
- 20 docket.
- refraud.com 21 Q And they decided that it would be five hundred
- that would be handled? 22
- 23 It was five hundred from our firm, yes. А
- 24 Was it also other firms? 0
- 25 A As far as I know. I'm not privy to that

- 1 information. I didn't work with other firms.
- 2 Q Were you aware of comparable practices to
- those you have just described with any other law firms 3
- 4 in Florida?
- No. It wasn't something I discussed about 5 А
- 6 other firms

Are you aware of any payments that were made by David Stern's firm to any companies as a result of 9 receiving the referrals of the foreclosure cases?

- 10 A Not that I'm aware of. I know that one
- 11 particular bank that we dealt with, which was Aurora
- 12 Leman Brothers, he had his own employees there in
- 13 Aurora.

- For that purpose? 14 0
- 15 That was not something we knew. There's four А employees that are there. I would have to look through 16 some documents for their names. They worked for Aurora 17 aud.com and were paid by David Stern if that makes sense. They 18 worked in Aurora's building, ALS, but they were paid by 19 David Stern to be there. 20 21 But you don't know what they did? 0
- A It was to oversee the practice that was going 22
- on. I could tell you that Aurora did not want them 23
- there. The were not very nice to them. They constantly 24
- 25 had issues with them. It was more or less for us like
- 1 if we needed assignments to get them like that; whatever
- we needed to get them back immediately. Aurora was his 2
- baby and always has been. 3
 - Why is that?
 - I believe that's what started his company. A
- 6 So he had his own employees in Aurora? Q
- 7 He went over there and hired them. They lived Α
- there. I think it's in Minneapolis. I'm not sure. 8
- 9 0 So David Stern personally went there and hired
- 10 people to work in Aurora?

- 11 A Yes.
- 12 Q And you don't know what they did there but
- 13 they were paid by David?
- 14 A Yes. They were paid by David. They had an
- 15 email address by David.
- eraud. on 16 Q So obviously knew exactly what they were
- 17 doing?
- 18 A Oh yes.
- 19 Mr. Stern? Q
- 20 Yes. А
- If you needed to get assignments quickly 21 Q Clos
- 22 that's who you contacted?
- 23 Correct. А
- 24 What did they do Q
- I don't know what they did on their end. All 25 А

- I know is I would have it by the end of the day.
 - An original? Ο
- 3 A No, because it would come from there. It
- 4 would be something that they would scan over to us or
- send to us or get to us overnight. 5
- Q How would that have been done differently than 6
- 7 the assignment process that you just described to us?

- 8 A I don't know how they did it. I just know if
- 9 we needed anything that had to do with Aurora we would
- 10 call there and speak to those people. Aurora was
- 11 probably our messiest client.
- 12 Q Why?
- 13 A Because it was never done right from the
- 14 beginning so the files were a mess.
- 15 Q Why is that?
- 16 A I have no idea. I don't know. I know that it
- 17 had changed hands a lot with paralegals and Cheryl and
- 18 David. It was very messy. As far as I know that's the
- 19 only company that I worked with
- 20 Q Do you know if those employees ever signed off
- 21 on assignments or any other documents that were needed
- 22 for foreclosures?
- 23 A I don't recall.
- Q Do you know the names of those employees?
 I can't recall their names at the moment. I'm
 - 63

- 1 trying to think of the manager's name. Its at the tip
- 2 of my tongue but I can't think of his name either.
- 3 Q But there were people that actually lived
- 4 where Aurora is?

A Yes, they lived there and they were hired by 5

6 David. They were actually brought to our office. Since

7 I was the team lead for Aurora I was introduced. They

shadowed me so they could see what the process was that 8

9 we had to go through.

- 10
- 11 did whatever they were doing for David Stern?

12

- David Stern? David Stern? Ourrect. Q Why would there be someone there if this whole ctice is down here? A I don't know. I coult' 13
- 14 practice is down here?
- 15
- 16 question.
- Q Are you aware of any contacts that Mr. Stern 17
- or anyone else had with Fannie Mae or Freddie Mac that 18
- 19 assisted him in getting his referrals?
- No, I'm not aware of any of that. 20А
- Are you aware of any payments that were made 21 0

by Stern or his office to Fannie Mae or Freddie Mac or 22

anyone that worked there?

- No, I'm not aware of that either. 24 А
- 25 0 You mentioned that there was some vindictive

1 behavior that you observed while you were working there.

- 2 Was any of this having anything to do with any of the
- 3 litigation in the home foreclosures?
- A Meaning? Most of the meanness came from if we 4
- didn't do their jobs what they would consider up to par. 5
- raud.com 6 Q You're talking about the people that worked in
- David Stern's office? 7
- 8 Yes. А
- 9 That there was vindictiveness by personnel to 0
- other personnel? 10
- A Oh yes. And by Cheryl. Cheryl would scream 11
- at the top of her lungs and embarrass you. 12
- Was she very close with David Stern? 13 0
- A Oh yes. Their families traveled together on 14
- vacations. Their kids went to the same school. 15
- Q Would you say that any information that Sheryl 16
- had would probably also be information that David Stern 17
- 18 had?
 - Oh yes.
 - Do you think there's any way that David Stern Q
- 21 did not know the procedures you just described that
- 22 Cheryl Samons was involved in?
- 23 A No, there's no way.
- 24 O Did anyone express any concern when you left
- 25 the office that you had observed things that were not

- 1 proper going on there?
- 2 A Yes. When I left the office they came to my
- 3 desk to ---
- 4 Why who? O
- 5 HR. Alicia Rhonda who I believe was the one А
- 6 partaking in changing files. She's the HR manager
- NO.COM 7 there. She would come to your desk and go through every
- single document that you were removing from your desk. 8
- They wouldn't allow you to take anything. Not even a 9
- sticky if it had something to do with the firm on it. 10
- Did you have any documents that belonged to 11 0
- the firm when you left? 12
- 13 А I did.
- What sort of documents did you have? 14 Q
- 15 Thad numerous amounts of documents. А
 - What type of documents were they?
 - I didn't take them when I left. I obviously А
- had already had them. What we've spoke about and the 18
- 19 practice, emails, and stuff like that.
- 20 So they were documents that essentially Q
- 21 documented what you've just described?
- 22 A Correct.

- 23 Do you have copies of those emails now? Q
- 24 No, I don't. А
- Do you have them in your possession? 25 Q

- A No, I don't. 1
- 2 Where are they? Q
- 3 They are with my attorney. А
- 4 Who are the emails from? 0
- raud.com The majority of them are from Cheryl. Some of 5 А
- them are from a gentleman named David Vargas which is an 6
- issue that I had. He was one of the mean people. 7
- 8 Q Were those emails sent to you or other people?
- 9 A No, they were sent to me. They all came from
- my email address 10
- What was the nature of those emails that you 11 Q
- felt were important enough that you felt that you should 12
- keep them? 13
 - Just the practices that weren't fair. The А
- 15 things that they were doing that weren't -- the things
- 16 that were wrong.
- Are those the things you've described so far? 17 Q
- 18 A Yes.
- 19 Q And those emails document that?

- 20 A The emails pertain to different things:
- 21 Changing UPB balances more or less, the badgering and
- stuff, hearing outcomes. Every day there were emails 22
- sent from each county on what the hearings were and 23
- stuff like that. 24
- Why would you have saved those? 25 Q
 - 67
- aud.com A It just happened to be something I had because 1
- 2 I worked from home. There wee documents I would take to
- go over my -- we had reports that we would run. Since I 3
- 4 had such a large amount of files it was easier for me to
- do it that way. That's how I initially got them. It 5
- was part of my job. 6
- Q What about the documents that you have? What 7
- is the nature of those documents, other than the emails? 8
- They were just what we discussed here today. 9
- Examples?
 - Yes. Examples are actually from files. А
- 12 And so the documents you have are examples of Q
- 13 what you described to us?
- 14 A Correct. There's also one thing I remembered
- 15 that I'm going to tell you because I want to make sure
- 16 that I -- the Exhibit D's were our attorneys fees.

- 17 Those were pre-signed by the attorneys prior to us
- 18 getting them.
- 19 Q Prior to you getting what?
- 20 A In other words, prior to them going out on the
- file. The only thing we did was fill in the fee and 21
- 22 stamp it.
- retraud.com 23 So the attorneys were signing attorneys fee Q
- 24 affidavits without figures there?
- 25 A Correct.

- Q And after the attorneys signed the affidavits 1
- were notarized without the attorneys being there? 2
- 3 А Correct.
- 4 0 And the fee amount was filled in?
- 5 Correct А

for those?

- Were there particular attorneys that were used 6 0
 - Richard Toledo I believe was one. Suarez was А
- 9 the other one. I'm not sure of his first name.
- 10 Q So there were two?
- 11 A Yes. One did hearings in one county and one
- 12 did hearings in the other county. We couldn't use them
- 13 in the county they did hearings in.

- 14 Q How much were they paid for those?
- 15 A I have no idea.
- 16 Q Were they paid for filling out attorney fee
- 17 affidavits?
- 18 A I would imagine so.
- 19 Q But you don't have any knowledge of that?
- 20 A No.
- 21 Q If I understood your testimony about Cheryl

and cou

22 Samons signing affidavits of indebtedness and other

6'

- 23 affidavits, these were all left on a table for her and
- 24 she signed without even reading them?
- 25 A Correct.
- 1 Q Was that basically the case in every single
- 2 situation?
- 3 A Yes. Yeah.
 - You described that there was offshore
- 5 preparation of the information that was put into the
- 6 software that created all of the documents in the
- 7 foreclosure action; is that right?
- 8 A Correct.
- 9 Q Did anyone review to make sure that the
- 10 information being inputted was accurate?

- That I'm not aware of. I know that initially 11 А
- 12 there was a huge problem with it just because of the
- education between the two places. Sometimes you would 13
- be in Cheryl's office and hear a conversation about 14
- erraud.com them, which is how I happen to know about those. I 15
- 16 didn't work in the casesum department.
- 17 Q Do you know who was hired to put the
- information into the casesum software? 18
- 19 A From overseas?
- 20 Yes. Q
- No. I don't know particularly who, no 21 А
- Did David Stern know about this 22 0
- Oh yes. He actually went there. Everybody 23 A
- was aware that he went there 24
- He went where? 25 Q

To the Philippines and to Guam. I believe there's another place. I'm just not sure of the name.

- 3 How do you know he went there? Q
- 4 Because we all knew that it was going to be Α
- 5 implemented; that our case loads were going to be
- 6 getting larger. In casesums Cheryl had a rule that you
- 7 had to have fifteen casesums out the door a day and if

8 you didn't she would fire you if it was two consecutive

9 days.

- And the casesum was where you were putting in 10 Q
- 11 the information that would come from the lender?
- 12 A Correct. We knew that our case loads were
- straud.com going to get larger because they were going to be doing 13
- 14 this offshore.
- 15 Q Do you know if Mr. Stern was responsible for

16 hiring those people?

17 A As far as I know.

- 18 Q Do you know anything about who was paying
- 19 them?
- A He was paying them as far as I know. 20

Cheryl Samons worked there on a daily basis? 21 0

- She was there all day? 22
- 23 А Yes
- How often was Mr. Stern there? 24 О

He was there every day unless he was

- 1 traveling.
- 2 Q Did he travel for purposes having to do with
- 3 the law firm?
- 4 A Oh yeah.

- 5 For what? 0
- 6 A To visit different banks or go offshore. Most
- 7 of his travels had to do with the office.
- 8 Why would he be going to the banks? 0
- 9 A I have no idea.

- 16 A Yes.
- Do you know anything about what the meetings 17 0
- 18 were about?
- 19 А No. Those were behind closed doors.
- Whose closed doors? 20 Q
- 21 David Stern's, Miriam, and Beverly. А
 - Were those the people that attended the

meetings?

- 24 Yes. А
- 25 0 Was there anyone else at the meetings that you

- 2 A Not that I'm aware of, no. Cheryl was in and
- 3 out of them I know.
- 4 Did anyone keep notes from the meetings? Q
- 5 A I don't know.
- 6 Q If someone of those people were at meetings
- raud.com 7 who would you expect to be taking notes or keeping track
- of what was going on? 8
- 9 A That would be Cheryl.
- 10 Q You mentioned that there were business
- decisions on whether or not they were going to be 11
- changing the principal balances due. She said they were 12
- 13 business decisions?
- A Well, the email subject line used to be 14
- business decision. I have to come to your office for 15
- the file because we didn't do something we were supposed 16
- to do according to her rules. So we would go there, she 17
- would look through the file, and she would make a 18
- business decision based on where we were at with the 19 file. We didn't question her on that. That was
- something you just didn't do. 21
- 22 O So she would just tell you how it was going to
- 23 be?
- 24 A Yup.
- 25 Q Now, you said that in every foreclosure there

1 were summons sent out to a Jane and John Doe?

2 A Correct.

3 Q Now, are you saying that there was one sent

4 out whether there was even an issue of whether or not

sauc.on 5 there was a Jane and John Doe involved or whether or not

6 the people, the original mortgagors were actually living

in the home? 7

A Correct. A return of service would be turned 8

in to court saying -- if they served me at home and my 9

10 husband, they would turn in also for Jane and John Doe.

So they would issue the Jane and John Doe 11 0

summons whether the homeowner was actually living in the 12

home and was going to be served? 13

14 А Correct.

So what you're saying, if I understand it, is 15 0

that this was basically padded on to the summons to give 16 them an extra person to serve?

18 Correct. А

19 0 Extra two people to serve?

Correct. Every single file that ever left the 20 А

21 office had a Jane and John Doe on it.

22 O And so basically they were sending a bill for

- 23 another ninety dollars?
- 24 A Correct.
- 25 So the process servers got paid an extra Q

- 1 ninety dollars for service of a Jane and John Doe
- raud.com 2 whether there was any legitimate reason to think there
- 3 should be one listed?
- 4 A Correct.
- Q So, even when you knew the mortgagors wer 5
- 6 living in the home there was a Jane and John Doe clos
- summons? 7
- 8 Correct. А
- 9 Who paid them? 0
- 10 A I would assume David. I'm not sure who paid
- or what account it came from. 11
- Was there always a Jane and John Doe no matter 12 0
- 13 which one of the servicers were used?
 - А Correct.
- 15 Was that amount included in the affidavit of Q
- 16 service?
- 17 A Correct. Except for if the bible stated it.
- 18 There were some judges who got wise to it and decided
- 19 that you can't charge for Jane and John Doe. There were

- 20 other judges who would say I'm only going to allow you
- 21 twenty dollars for service. So, as I said, the bible
- was our bible. We would go by that. If Judge Smith 22
- said I'm only allowing you twenty dollars for service, 23
- Francon 24 no Jane and John Does at all, then that's what we would
- 25 put in there. If a judge didn't complain and nobody
 - 75
- 1 questioned it then it was put in here.
- Q If there's properties were sold at a 2
- foreclosure sale and they were purchased by the bank 3
- would those amounts be billed to the bank? 4
- A Sale was something I never ever -- I had my 5
- own sale girl, own sale department. 6
- Q Do you know if David Stern ever purchased any 7
- properties at foreclosure sales? 8

Thave heard of a few. 9

- How did you hear about it?
 - Because the paralegal screwed up on something А
- 12 or another was what the word said.
- 13 Q Why is he buying properties at foreclosure
- 14 sales?
- A I don't know. I couldn't answer that. I 15
- 16 don't know.

- 17 Q Were there any arrangements that he had with
- 18 the banks that he could bit on some and not others?
- 19 A I'm unaware of anything to do with sales.
- 20 Q Why would assignments of mortgage been
- 21 recorded at Cheryl's direction after final judgements

22 were entered?

A Again, I don't know. After the initiation of

24 the file we would record them. We would be sending them,

25 in with the final judgements. In other words, if there

76

JO. COM

1 was a file that the assignment wasn't done properly some

2 of them we would send the motion for summary judgement

- 3 and the attorney would go to court with the assignment
- 4 in their hands.
- 5 Q Okay. Was there any discussion about the fact
- 6 that that was not the correct or legal way to do that?

7 Not to me. I was just told to do it. If an

assignment needed to be with the file it needed to be

- 9 with the file.
- 10 Q Did anybody say that it's not going to be
- 11 recorded?
- 12 A Not that I'm aware of. I didn't learn until
- 13 actually the end of that that the Fannie Mae and Freddie

- 14 Mac guidelines state that an assignment of mortgage has 15 to be filed with the mortgage and the note. I was unaware of that because I didn't work on their teams 16 until the latter part of my employment there. So at 17 that time when we were conveying to our client through Jd. com 18 19 VendorScape or Landstar or whatever it was for the files, when they would question why the lis pendens 20 hadn't been filed we would say because under Fannie Mae 21 guidelines you can't file unless you have the 22 assignments of mortgage and the note and the mortgage. 23 I was unaware of that until then. 24 And that was at the end of the time that you 25 0 rel 1 worked there? 2 Yeah. It was only the Fannie Mae files that А 3 we did it on. So, Fannie Mae and Freddie Mac had guidelines that you could not record a lis pendens or an assignment of mortgage? 6 7 A You weren't supposed to be filing the lis pendens prior to having those documents. I'm not saying 8
 - 9 that that's what happened because we know that they were
 - 10 back-dated. Technically that's when I learned you

- 11 weren't supposed to be doing that, even though we were
- 12 doing it and it was our practice. I was unaware until
- that point when I started working on that particular 13
- 14 team.
- 15 Are you aware of whether anybody else knew 0
- 16 that that was not the way that the foreclosure should be
- handled? 17
- 18 A Oh yeah. The team leads. Tammie Sweat was
- Jd. com responsible for Fannie Mae. Beth Cerni was responsible 19
- for GMAC. There was another manager Jason something or 20
- another. I don't know. He was responsible for Country 21
- Wide and stuff like that. I was told by them. That's 22
- what they told me to put in Landstar or VendorScape. My 23
- 24 assumption would be yes they knew.
- 25 Q They told you to put what in?
 - 78

That the lis pendens had been filed because pursuant to Fannie Mae guidelines we have to have the

- 3 note and mortgage and stuff.
- 4 Q And were the Fannie Mae guidelines that they
- could not file their complaints until they have the 5
- 6 assignments of mortgage?
- 7 A Correct.

8	Q So Fannie Mae and Freddie Mac mortgages did
9	not have complaints filed until the assignment of
10	mortgage had been filed to reflect the proper owner?
11	A Well, that was what the guidelines were but
12	that's not what we did. They would back-date them if
13	need be. In other words the assignments would be
14	back-dated to say yes that's what it was. They'd come
15	in and audit or we'd have to give them chronological on
16	VendorScape or Landstar so we're just typing in what
17	they want to see. It's not necessarily what actually
18	occurred. That's what we were told to do.
19	Q At any point are you aware of Farmie Mae or
20	Freddie Mac becoming aware that what was being reported
21	to them was different than what was actually happening
22	in David Stern's firm?
23	A I'm not privy to any of that information, no.
24	Q So there was never any screaming or meetings
25	about those issues?
L	79

A Oh there was screaming and meetings. What I
 actually knew was going on or not -- Fannie Mae came to

- 3 the building often. They were there because we would
- 4 all have to be under strict dress code and emails would

- 5 go out that Fannie Mae was in the office.
- 6 Q When you talked about the fact that there were
- ex-parte motions to substitute plaintiff filed in the 7
- foreclosure actions do you know whose decision it was on 8
- 9 the cases to send in ex-parte motions to substitute

10 plaintiff?

11 A It was Cheryl's decision on any of them. Some

Jd.com of them we got the whole theory of when I questioned why 12

- 13 we were foreclosing -- I've actually had tenants or
- borrowers call me and say well my bank was this and it 14
- turned over to this, why did you foreclose on this. I 15
- 16 would ask Cheryl and she would say just tell them it
- doesn't matter. I would say well what is the case with 17
- that and she would say well it doesn't matter because 18
- the bank is buying it back and it's going back to Fannie 19
- Mae anyways so who cares. That was their theory on when 20
- you didn't file a substitution of plaintiff on the file. 21

A lot of them happened to be GMAC and Nation 22 Star. Why they are the ones, I'm not particularly sure.

- If it got flipped from one company to the other, which 24
- 25 happened quite often, the substitution of plaintiffs

1 were not done on all of them I should say. If we had

- 2 time and we had just gotten the file and we knew it was
- 3 going to be changed and I was on top of my game with my
- files I would get it done. But if it wasn't done, it 4
- wasn't done 5
- Q Who would tell you to send in the ex-parte 6
- motions and orders? 7
- 8 Either Tammie or Cheryl. А
- What about if there was an attorney on the 9 0
- 10 other side?
- raud.com A Opposing counsel they didn't really care much 11
- about. I wouldn't get involved in that. That would go 12
- 13 to my attorney.
- 14 Q Were you aware of attorneys sending in
- ex-parte motions and orders even if there was counsel on 15
- 16 the other side?
- Again, I wouldn't know. I couldn't definitely 17 А 18 say.
- Just to clarify, you said between two hundred 19 and two hundred and fifty affidavits and assignments 20
- 21 were signed by Cheryl a day times eight?
- 22 A Well, I think there's about six floors. One
- were reinstatements so it probably was not on there and 23
- 24 then one was something else. Yeah, at least that.
- 25 Q So you're talking about fifteen thousand a

 $1 \, \text{day}?$

- 2 Probably, yeah. А
- 3 MR. REGAN: No, no, no. Wait, wait, wait.
- Frand.com 4 Eight times two-fifty, that's not fifteen thousand.
- 5 I'm sorry. Two thousand.
- 6 THE WITNESS: Two thousand.
- 7 BY MS. EDWARDS:
- Q So you're saying around two thousand a day 8
- were being signed by Cheryl? 9
- 10 A Yes.
- Or other people on Cheryl's behalf? 11 0
- 12 Correct. А
- So Cheryl worked as David's paralegal before 13 Q
- he got into this foreelosure business? 14
- I'm not sure how that goes. One store here 15 А and one store there. I actually had a conversation with 16
- Cheryl about it one day just out of curiosity. She had
- said that she started out as his file clerk and then the 18
- 19 two of them built the company together.
- 20 Do you know whether or not Cheryl got any Q
- 21 bonuses based on the number of files closed?
- A I'm not personally aware of it but the 22

- 23 grapevine again says she did. There were a few people
- 24 that got bonuses based on what they got done.
- 25 Q Do you know who they were?

- 4 Her bills were brought to the firm and paid for by the
 5 firm.
 9 You mean her percent

- A Yes. I'm trying to think of the team leads. 7

8 It's hard to remember without like a list of their names

- in front of me. I know Vanessa was sales. There was 9
- Kadian Doir was training. They're all in a clique so 10
- it's just how they were. David Vargas. I mean they all 11
- ended up with new cars all of a sudden and things like 12

Are any of these people personal friends with

13

that

- 16 А Yes.
- All of them? 17 Q
- 18 A Not that I'm aware of with the girls but David
- 19 Vargas and Cheryl Samons are very close personal friends

David Stern? 15

- 20 with David Stern.
- 21 BY MS. CLARKSON:
- 22 Q Are you aware of any other inflating billing
- other than the process by David Stern? 23

urer and. on 24 A In memorandum of laws there would be inflated

- 25 billing since the attorneys weren't reviewing it.
 - 83
- 1 Technically that's inflating it.
- They didn't review them? 2 0
- 3 No. I did it. А
- What about titles, abstract searches? 4 0

Those were just a nightmare.) I didn't work in 5 А

- the title department. GAPs were supposed to be done and 6
- 7 sometimes they weren't done until after the properties
- were sold. The title department is a complete mess 8
- there. There's things that are overlooked or not seen. 9

If you had a problem with title you went to a gentleman 10

- there. Brad is his first name I believe. I'm not sure
- 12 of his last name. He was the title person. There was
- 13 one other lady who worked there also who wasn't very
- nice either. 14
- 15 Nobody really would go to any of the managers 16 like that because you would get screamed at. It wasn't

17 even -- it would be what are you stupid? Why are you 18 asking me this question? You were told to do this and that's what you do. Okay. That's pretty much how it 19 ended up. With the title I know for sure was a screwy 20 thing sometimes. 21 A Oh yes. It was always billed. That's
25 inputted automatically into their system unless again a
84

1 judge says you're only allowed for a title to charge

2 this much, this much or this much, they would back it

- 3 out.
- And they would put that in the bible? 4 0
- 5 А Yes
- Do you know of any instances or many instances 6 0
- where title was charged but not completed?
 - Oh yeah. A
- 9 Many or any? Q
- 10 Any. Probably many but in my own team, any. Α
- 11 Okay. Do you know who they got the casesums Q
- 12 back from Guam and the Philippines?
- 13 A I believe everything was done electronically

- 14 but I'm not sure, no.
- 15 Q Are you aware of who the bank servicers were?
- 16 Meaning? А
- 17 The servicers? Who told the attorneys what to Q
- 18 do?
- 19
- 20
- 21
- 22
- officer that you haven't told us about? 23
- 24
- INO. Q Did you take any other documents from the icer that you haven't told us about? A No. MR. BRIESMEISTEP 25
- 1 BY MR. BRIESMEISTER:
- Tammie, you indicated you worked there from 2 O
- 3 approximately March of '08 to July of '09, correct?
 - I believe that's what it was, yes.
 - What's your employment history since July of N
- 6 '09?
- 7 A I've worked for a condo HOA attorney. I'm
- 8 currently unemployed. I've actually had such a
- 9 difficult time getting a job because I worked at David
- 10 Stern's office.

- 11 Q So you've been unemployed since --
- 12 A I was employed for approximately seven months
- 13 and I've been unemployed since, yes. My employment
- 14 terminated there July 7th of '09.
- 15 Q You also indicated that your work space was
- 16 directly outside the office of David Stern, correct?
- 17 A Correct.
- 18 Q Did you in the course of working there ever
- 19 hear any conversations, meetings, dialog between David
- 20 directly and either Cheryl or other employees that would
- 21 indicate to you improper conduct?
- 22 A On a personal level or business?
- 23 Q Business dealings.
- 24 A No.
- 25 Q With regard to emails and documents that you
 - 86

ud.com

say you took from the business, are all of the emails
 you got either originated by you or you are the

3 recipient?

- 4 A Correct. All of them.
- 5 Q You have no emails that would have been
- 6 directed or the recipient other than you?
- 7 A No. They all came from my email account.

- 8 Any emails with David Stern in the chain? Q
- 9 А Stern was in most of them when it came to like
- hearings and stuff like that. If I'm not mistaking the 10
- copies were David Stern, Beverly, and Miriam Mendieta. 11
- 12 As far as I know every email he got on his Blackberry
- erauc.on because he would respond sometimes outside the office 13
- from his Blackberry. 14
- 15 Q Email or documents related to business
- 16 practices in the firm?
- 17 Yes. А
- 18 And you indicated that all of the documents Q
- and emails have been turned over to your attorney? 19
- 20 Yes. А
- 21 You have no other Q
- 22 А No.
- 23 How large was the book that you called the O

24 bible?

- Oh good God. There's sixty-seven counties in
 - 87
- 1 the state? It was every county and every judge
- 2 pertaining to foreclosures.
- Did you make any copies of any or part of 3 O
- 4 that?

5	A No. That was encrypted actually. Jason is
6	the person who controls the bible. It was encrypted as
7	far as we knew. I do know that they watched that and if
8	you ever got caught printing it you pretty much it
9	printed by accident sometimes but the documents would
10	get shredded because just of the way it was set up on
11	Word or whatever.
12	MR. BRIESMEISTER: That's all for me.
13	BY MS. EDWARDS:
14	Q Is there any reason that you would have to be
15	saying things that are not truthful here?
16	A No.
17	Q Is there any reason that you can think of for
18	anyone at David Stern's office would say that you would
19	say things that were not truthful about what went on
20	there?
21	A The could say a lot of things about a lot of
22	people there and most of the people that would say that
23	were the ones that were being compensated. But no.
24	Q Were there any personal relationships that you
25	were aware of that might have caused problems within the

- 2 A As far as people in the firm?
- 3 Q Yes.
- 4 Yes. А
- 5 Could you describe that to us. 0
- 6 A Well, David Stern had quite a few little
- raud.com girlfriends in the firm. David Vargas and Cheryl Samons 7
- were very involved. 8
- 9 Q Are you talking about romantically involved?
- A Yeah. I believe there were people actually 10 ox .
- fired for questioning it. 11
- Q Who else was involved in those sort of 12
- 13 relationships?
- A There were boyfriends and girlfriends within 14
- the firm. The policy was that fraternizing wasn't 15
- 16 allowed. If it happened you'd have to let HR know and
- they would separate you in teams. I mean you put that 17
- many people in one building you're going to have 18
- 19 relationships.
 - Did you say also that sort of thing was going Q
- on with David Stern and other people that worked there? 21
- 22 А Oh yeah.
- 23 How do you know that? 0
- 24 А Because those conversations I was privy to.
- 25 Q Could you describe the nature of those and the

1 people involved.

2 There was a few young girls that he was very A Jo. con generous with and purchased properties, cars, jewelry. 3 They would go in and out of his office, get roses, be in 4 there for two hours. I would hear the conversations 5 with him and David Vargas in reference to taking them on 6 7 plane rides and he was going to get in trouble because \langle he's married and things like that. 0 8 9 Who were those girls? Q 10 Christina was one of them. I'm not sure of А her last name because there were a few of them. 11 12 Which division did she work in? Q There was another girl named Christina 13 А Dispersio (ph). The first Christina worked in I want to 14 say Countrywide side. She was a very very young girl. 15 Very pretty girl. She had a four-year old daughter if 16 I'm not mistaking. The second that the firm was aware of it because there were plenty of times when Cheryl 18 19 would go storming in his door and screaming at him about 20 the fraternizing going on and the whole firm knowns about it. Of course people talk, especially when your 21 22 boss is doing that.

- 23 They removed her from the company. Just one
- 24 day you came in to work and she was gone. There were
- 25 people that were there that were friends with her. The

- Jd. com grapevine is long and it would come back. Apparently I 1 know his right hand Paula Beachman, which has changed 2 now because she got married, had made a comment to me 3 one time about I don't want to know anything, I don't 4 want to hear anything because I've already been deposed 5 one time before because of his sexual misconduct. 6 7 Was he involved in sexual misconduct there? 0 As far as I know, yes 8 Α 9 Did it involve anyone other than the two women 0 10 that you've described? I'm sure there were numerous of them but I was 11 A only aware of that because it was on the fourth floor. 12 That was right outside from where you worked? Yes. When that became a whole situation А 15 because -- how it was was David's Stern office and there 16 was a cubby and then a cubby. The first cubby was David Vargas and I was the second cubby. So I would hear 17 18 everything. He would always lean over sometimes and say
- 19 you're not hearing any of this and I would just hear no

- 20 evil, see no evil, say no evil. The conversations were
- 21 there. We were there a couple months and then we got
- moved up to the sixth floor, our whole team. We 22
- actually expanded and there was no more room in that 23
- 24 particular spot. So after that I wasn't aware of
- fraud.com 25 anything other than Stern coming up and hanging out with
 - 91

1 Vargas.

- Q So you would overhear conversations between 2
- him and Vargas? 3
- A Oh yeah. 4
- Q And this was the nature of the conversations 5
- 6 you heard?
- 7 Yes. A

And that Vargas was involved with Cheryl 8 Q

9 Samons?

That was just something that was known and 10

never said. Like I said, there was somebody who said it

and they got fired. 12

13 Q But you never heard any actually conversations

- where Vargas said that or Cheryl? 14
- 15 A Well, he made a couple of innuendos that were
- 16 inappropriate. Sometimes when I was trying to learn

17 stuff from Cheryl and I was still in the training she 18 would be bending over the desk and he would say something that was inappropriate about her. They would 19 20 spend three and four hours in the office together. He Jo. com 21 was the only paralegal in the entire building that would 22 sit there with the door closed. He would throw anybody out of the office and walk in there. You're guess is as 23 good as mine about what's going on behind closed doors. 24 25 That's about as privy as I was and that was too much.

92

- 1 MS. EDWARDS: I don't have any other questions
- 2 to ask.
- 3 BY MS. CLARKSON:
- 4 Q The only thing I'd like to know is how you
- 5 left? What terms you left on?

A They terminated my employment and said that it
7 wasn't working out. That was approximately two weeks
8 after I refused to do the military documents. I was one

- 9 of those people that just didn't believe in the
- 10 practices. If I thought something was wrong I would
- 11 question it. I think that they don't like that.
- 12 Q So you were fired?
- 13 A Yes.

14 Did you leave on a good note or a bad note? Q

15 Α Good note. The HR girl was crying her eyes

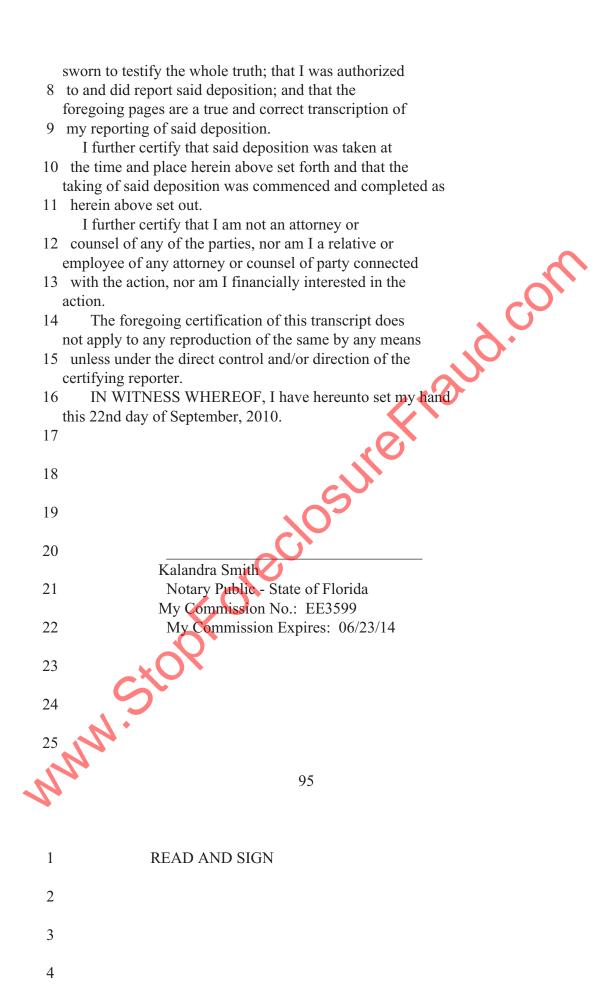

- 16 out when I left.
- 17 MS. CLARKSON: Okay. Thank you for coming in.
- orecas 18 I think I'm going to have this typed up. Would you
- 19 like to read or waive?
- 20 MR. LYONS: Read.
- (Thereupon, the deposition was concluded at 21
- 22 1:58 p.m.)
- 23
- 24
