Purpose and Use of this Report

This document has been prepared in conjunction with the *City of Seattle Review of Mortgage Documents* conducted by McDonnell Property Analytics for the Seattle City Council.

The purpose of the *Forensic Title Examination* is to serve as a guide for consumers, advocates, mediators, attorneys, regulators, and others as to how one might go about reviewing the documents that must be recorded in county land records to bring a non-judicial foreclosure pursuant to the Washington Deed of Trust Act.

This examination illustrates the importance of looking beyond the face of recorded documents to find the truth.

As this report is a *Forensic Title Examination*, the Examiner limits her review here to three (3) title documents that had to be recorded in order to prosecute a non-judicial foreclosure action. After laying the factual foundation, the Examiner explains why each document is an absolute nullity. *Black's Law Dictionary* defines "absolute nullity" as: An act that is incurably void because it is against public policy, law, or order.

Disclaimer

The findings and opinions expressed herein do not constitute legal advice or conclusions of law but are deduced from the facts as they became known to the Examiner through the Examiner's forensic investigation of the documents, records, and information available at the time of this writing.

McDonnell Property Analytics reserves the right to alter or amend this report as new information becomes available. Foreclosure terminates legal rights in real property that was pledged to secure the debt obligation.

McDonnell Property Analytics strongly recommends that anyone facing foreclosure seek the advice and counsel of a qualified licensed attorney in the state where the property is situated.

Abstract

SUBJECT

The Transaction

The subject of this analysis is a consumer mortgage transaction that took place on March 13, 2007 (“Consummation Date”),¹ by and between Kristin Bain (“Borrower” or “Ms. Bain”) and IndyMac Bank, F.S.B. (“Lender” or “IndyMac Bank”).

On the Consummation Date, Ms. Bain executed a Fixed/Adjustable Rate Note (“Note”) in favor of IndyMac Bank, F.S.B. and granted a Deed of Trust (“Deed of Trust”) to obtain funds in the amount of \$193,000.00 in order to finance the purchase of a condominium located at 15340 Macadam Road S., Unit B105, Seattle, King County, Washington 98188 (“Property”). The Deed of Trust, Condominium Rider, Fixed/Adjustable Rate Rider, and Addendum to Fixed/Adjustable Rate Rider were recorded with the King County Recorder’s Office (“Recorder’s Office”) on March 19, 2007, as Document # 20070319001732. (See Exhibit A. – Deed of Trust, 03/09/2007)

The Deed of Trust begins with its own definition of terms lettered (A) through (R). Definition (C) defines the Lender as follows:

“**Lender**” is IndyMac Bank, F.S.B., a federally chartered savings bank. Lender is Federal Savings Bank organized and existing under the laws of [the] United States of America. Lender’s address is 155 North Lake Avenue, Pasadena, CA 91101.

Definition (D) of the Deed of Trust identifies Stewart Title Guaranty Co. as Trustee under the Deed of Trust.

Mortgage Electronic Registration Systems, Inc. (“MERS”) is defined in Definition (E) as “a separate corporation that is acting solely as a nominee for Lender and Lender’s successors and assigns. **MERS is the beneficiary under this Security Instrument.**” (emphasis in original). MERS is organized and existing under the laws of Delaware, and has an address and telephone number of P.O. Box 2026, Flint, MI 48501-2026, tel. (888) 6799-MERS.

The Deed of Trust was registered in the MERS System under MIN #1000554-0125723223-3.

Paragraphs 1 and 2 of the Note describe the terms of a Hybrid Adjustable Rate Mortgage (“HARM”) transaction that calls for the principal amount of \$193,000.00 to be financed at a yearly interest rate of 9.500% for the first two (2) years. Paragraph 3(B) of the Note states that the initial monthly payments for principal and interest will be in the amount of \$1,563.42. (See Exhibit B. – Fixed/Adjustable Rate Note, 03/09/2007)

¹ Although the loan documents are dated March 9, 2007, they were executed on March 13, 2007. See Acknowledgment of notary public, Dawn M. Reynolds, on page 14 of the Deed of Trust.

Paragraph 4(A), Change Dates, provides that on April 1, 2009, and on that day every 6th month thereafter, the interest rate would adjust according to an Index and Margin formula described in Paragraph 4 of the Note. The “Index” is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market (“LIBOR”), as published in *The Wall Street Journal*.

Paragraph 4(C), Calculation of Changes, states that Six and no/1000ths percentage points (6.000%), commonly referred to as the “Margin,” will be added to the “Current Index” before each change date, the sum of which will then be rounded to the nearest one-eighth of one percentage point (0.125%).

In the month following each interest rate change date, monthly payments were to reset in an amount sufficient to fully amortize the loan to a zero balance on the “Amortization Period Date” of April 1, 2047 (40 years), which is greater than the Maturity Date of April 1, 2037 (30 years).

This mismatch between the “Amortization Period Date” of April 1, 2047 and the “Maturity Date” of April 1, 2037 causes a Balloon Payment at maturity.²

The Fixed/Adjustable Rate Rider reiterates the terms of paragraph 4 of the Note and is incorporated into and deemed to amend and supplement the Deed of Trust. It also amends Uniform Covenant 18 of the Security Instrument by adding an assumption clause. (*See* Exhibit C. – Fixed/Adjustable Rate Rider, 03/09/2007)

The Trailing Documents

On August 26, 2008, Christina Allen,³ acting in her alleged capacity as Assistant Vice President of IndyMac Federal Bank, FSB⁴—who she claimed was the present Beneficiary—⁵ executed an Appointment of Successor Trustee which purports to substitute Regional Trustee Services Corporation as Trustee under the subject Deed of Trust in place of Stewart Title Guaranty Co. The Appointment was notarized on August 26, 2008, by Paris Y. Jackson, a notary public commissioned by the State of Minnesota. At some point, the

² I was able to audit the terms of Bain’s Note and determined that the Balloon Payment was projected to be \$133,066.88 as of the Maturity Date of April 1, 2037. Thus, after making payments for 30 years, Bain would still owe 69% of the original Principal of \$193,000.00.

³ At this time, Christina Allen was employed by Lender Processing Services (“LPS”). *See Bain v. Metropolitan Mortgage Group*, 2010 WL 891585 (W.D.Wash.); (Allen Decl. (Dkt. No. 74 at 1).)

⁴ On July 11, 2008, IndyMac Bank, F.S.B. was placed into conservatorship with the FDIC. On that same date, the FDIC established a bridge bank and named it IndyMac Federal Bank, FSB (58912). A link to FDIC closing information for IndyMac Bank, F.S.B. (29730) is available on the FDIC’s website at: http://www2.fdic.gov/idasp/confirmation_outside.asp?inCert1=29730.

⁵ IndyMac Federal Bank, F.S.B. was not the Beneficiary as of August 26, 2008. The Lender, IndyMac Bank, F.S.B. sold the Mortgage Loan to its affiliate IndyMac ABS, Inc. who transferred it to Deutsche Bank National Trust Company as Trustee for the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B on June 12, 2007.

Appointment was amended and given a prospective “effective” date of September 3, 2008. The Appointment was filed of record with the Recorder’s Office on September 9, 2008, as Document # 20080909001150. (See Exhibit D. – Appointment of Successor Trustee, 08/26/2008)

On September 3, 2008, Bethany Hood,⁶ acting in her alleged capacity as Vice President of Mortgage Electronic Registration Systems, Inc. as nominee for its successors and assigns (“Assignor”), executed an Assignment of Deed of Trust which purports to transfer the subject Deed of Trust (*together with the Note*) to IndyMac Federal Bank, FSB (“Assignee”). This Assignment was notarized on Sept. 3 [no year date] by Paris Y. Jackson. It was filed of record with the Recorder’s Office on September 9, 2008, as Document # 20080909001149, immediately before the Appointment. (See Exhibit E. – Assignment of Deed of Trust, 09/03/2008)

On September 25, 2008, Anna Egdorf, acting in her alleged capacity as Authorized Agent of Regional Trustee Services Corporation,⁷ executed a Notice of Trustee’s Sale stating that on December 26, 2008, the subject property would be sold to the “highest and best bidder.” This document was filed with the Recorder’s Office on September 25, 2008, as Document # 20080925000491. (See Exhibit F. – Notice of Trustee’s Sale, 09/25/2008)

The Litigation

To defend her Property from foreclosure, Ms. Bain hired an attorney who, on December 23, 2008, was successful in obtaining a court order restraining the sale from a judge in the King County Superior Court.⁸ On February 3, 2009, the case was removed to the United States District Court for the Western District of Washington, Case No. 2:09-cv-00149-JCC. It was within the context of this litigation that the presiding judge certified three questions⁹ to the Washington State Supreme Court (Dkt. No. 159.).

⁶ According to evidence presented to the trial court, Bethany Hood was also an LPS employee. See Bain v. Metropolitan Mortgage Group Inc., et al., 2010 WL 891585 (W.D.Wash.); (Dkt. No. 51 at 2; Dkt. No. 74 at 7.).

⁷ Recall that Regional Trustee Services Corporation was appointed as the Deed of Trust Trustee by Christina Allen on behalf of IndyMac Federal Bank, F.S.B.; however, IndyMac Bank, F.S.B. held only the mortgage servicing rights when it was placed into conservatorship with the FDIC. As a result, Regional was without authority to file the Notice of Trustee’s Sale.

⁸ See Bain v. Metropolitan Mortgage Group, Superior Court for the State of Washington in and for the County of King, Case No. 08-2-43438-9, December 23, 2008.

⁹ The Federal District Court for the Western District of Washington asked the Washington Supreme Court to answer three certified questions relating to two home foreclosures pending in King County. In both cases, Mortgage Electronic Registration System Inc. (MERS), in its role as the beneficiary of the deed of trust, was informed by the loan servicers that the homeowners were delinquent on their mortgages. MERS then appointed trustees who initiated foreclosure proceedings. The primary issue was whether MERS was a lawful beneficiary with the power to appoint trustees within the deed of trust act if it did not hold the promissory notes secured by the deeds of trust. A plain reading of the applicable statute led the Supreme Court to conclude that only the actual holder of the promissory note or

On August 16, 2012, the Washington Supreme Court rendered its decision in *Bain v. Metropolitan Mortgage Group, Inc.*, 175 Wash.2d 83, 285 P.3d 34 (Wash., 2012) and opined:

Simply put, if MERS does not hold the note, it is not a lawful beneficiary.

Immediately after the Washington State Supreme Court handed down its decision in *Bain*, Deutsche Bank terminated the non-judicial foreclosure proceeding and opened a case against Kristin Bain in the King County Superior Court to prosecute the foreclosure judicially.¹⁰

On September 10, 2012, Angelique Connell, acting in her alleged capacity as Authorized Agent for Regional Trustee Services Corporation, executed a Notice of Discontinuance of Trustee's Sale. This document was notarized that same day, and filed of record with the Recorder's Office on September 13, 2012, as Document # 20120913000126.

On October 24, 2012, William L. Larkins, Jr., Attorney for Deutsche Bank National Trust Company, as trustee of the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B, pursuant to a Pooling and Servicing Agreement dated as of June 1, 2007 filed a complaint to foreclose the Bain Deed of Trust with the King County Superior Court, Case No. 12-2-34466-3KNT.

We conducted a forensic title examination of Kristin Bain's property and found no assignment was ever recorded that establishes how and when Deutsche Bank came by its authority. We are informed that Deutsche Bank presented the promissory note (or a copy of it) to the King County Superior Court and obtained a Judgment of Foreclosure on November 13, 2013.

A Sheriff's Levy and Writ for Order of Sale were filed with the Recorder's Office on May 19, 2014; an amendment thereto was filed four (4) days later.

Based on the Superior Court's docket in Ms. Bain's original case (Case No. 08-2-43438-9), further adverse action appears to be stayed until the case, which is still pending, goes to trial.

other instrument evidencing the obligation may be a beneficiary with the power to appoint a trustee to proceed with a nonjudicial foreclosure on real property. "Simply put, if MERS does not hold the note, it is not a lawful beneficiary." The Court was unable to determine the "legal effect" of MERS not being a lawful beneficiary based on the record underlying these cases. Furthermore, the Court was asked to determine if a homeowner had a Consumer Protection Act (CPA), chapter 19.86 RCW, claim based upon MERS representing that it was a beneficiary. The Court concluded that a homeowner may, "but it would turn on the specific facts of each case." (*See Bain v. Metropolitan Mortgage Group, Inc.*, 175 Wash.2d 83, 285 P.3d 34 (Wash., 08/16/2012))

Findings

Mortgage Electronic Registration Systems, Inc.

1. On July 26, 2015, I performed a search using MERS's public access website and found that MIN #1000554-0125723223-3 is presently "Inactive." This means that Ms. Bain's Mortgage Loan is no longer being tracked in the MERS® System. The deactivation date is unknown. (See Exhibit G. - MERS Research Results, 07/26/2015)
2. On the deactivation date, OneWest Bank, National Association was listed as the servicer; the identity of the investor was unavailable.
3. The first seven (7) numbers of the MIN Number identify the MERS Member associated with the Mortgage. I performed a MERS Member search and found that FDIC as Receiver for IndyMac Federal Bank, FSB¹¹ is presently associated with Org. ID #1000554.

Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B

4. Using my access to Bloomberg Professional Service's database of Residential Mortgage Backed Securities ("Bloomberg"), I found that Ms. Bain's Mortgage Loan (*or an economic interest therein*) was allegedly securitized into the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B ("*Issuing Entity*" or "REMIC" or "Trust" or "Deal").¹²
5. As of the Monthly Remittance Report dated July 27, 2015, Deutsche Bank Trust and Security Services reports that Ms. Bain's Property is still being tracked as an asset of the Trust as post-foreclosure Real Estate Owned.¹³
6. I was able to verify this finding by examining the collateral loan performance tape provided by the *Servicer* to Bloomberg each month and comparing that information to the

¹¹ MERS Org. ID #1000554 belonged originally to IndyMac Bank, F.S.B.

¹² **CAVEAT:** The phrase "*I found that the Borrower's Mortgage Loan is presently being tracked as an asset...*" is a term of art that I purposely use to describe what we are seeing when viewing the information available through Bloomberg. Essentially, Bloomberg provides current and historical data to investors regarding the collateral loan performance, delinquency rates, trigger events, etc. that enable investors to monitor their holdings. This data derives from the accounting supplied by the *Servicer*, *Master Servicer*, and *Securities Administrator* each month as required by the Pooling and Servicing Agreement that governs the Trust. Whether or not a particular Note and Mortgage were legally conveyed into a securitized Trust in accordance with "Applicable Laws" is a separate and distinct factual analysis which ultimately requires a legal opinion I do not, and cannot render here.

¹³ To confirm or update this finding, go to <https://tss.sfs.db.com/investpublic/> and search for CUSIP Number 43710EAA8. Pull up the "Statement" and search for "193,000.00" which will bring you to the Loan Level Details for Ms. Bain's Mortgage Loan.

loan level details contained in the Fixed/Adjustable Rate Note, Deed of Trust, Fixed/Adjustable Rate Rider and Addendum to Fixed/Adjustable Rate Rider.

7. A side-by-side comparison revealed that seventeen (17) out of eighteen (18) data-points were a perfect match, including the Loan ID #125723223. The Gross Coupon rate differed from the original Interest Rate due to numerous interest rate changes over the years. (See Bloomberg Data Points below)
8. Accordingly, I found that the unique characteristics described in Ms. Bain's Mortgage Loan documents were also present in the Bloomberg data, which enabled me to conclude that the subject Mortgage Loan – *or an economic interest therein* – was allegedly securitized into the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B on June 12, 2007, the Closing Date for the Deal.
9. Additional evidence is found in the Monthly Remittance Reports ("MRR") compiled by Deutsche Bank Trust and Security Services ("TSS"), who serves as Securities Administrator for this Deal. TSS compiles a detailed report each month, which identifies loans that have been placed on a "watch list" because they are in foreclosure, bankruptcy, have been foreclosed upon and converted to real estate owned ("REO"), or where REO properties have been liquidated through a charge-off or resale of the collateral property.
10. Ms. Bain's Mortgage Loan first appears in TSS's foreclosure detail report in the September 25, 2008 Monthly Remittance Report. The MRR dated October 25, 2012, contains no reference to Ms. Bain's Mortgage Loan which is consistent with the fact that Regional Trustee Services Corporation filed a Notice of Discontinuance of Trustee's Sale on September 13, 2012. A Judge in the Superior Court of King County issued A Writ of Order of Sale on April 22, 2014, and several months later, Ms. Bain's Property was listed in TSS's August 25, 2014 MRR as Real Estate Owned ("REO"). (See Exhibit H. - TSS Monthly Remittance Reports)
11. The Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B is a public offering, and the Prospectus, Prospectus Supplement and Pooling and Servicing Agreement (referred to in the industry as the "Deal Documents") are available on the Securities and Exchange Commission's public access website. To perform a search, simply go to EDGAR's Company Search page and type in the Central Index Key ("CIK") 1399930. (<http://www.sec.gov/edgar/searchedgar/companysearch.html>).
12. My preferred method of researching these same filings is to use *SEC Info*SM which provides hyperlinks and enhanced viewing options. This particular Deal is found on the *SEC Info*SM website at: [http://www.secinfo.com/\\$/SEC/Registrant.asp?CIK=1399930](http://www.secinfo.com/$/SEC/Registrant.asp?CIK=1399930).
13. The Prospectus Supplement is the securities offering circular and it contains a helpful summary that lists the entities who participated in the securitization. This offering document available at: <http://www.secinfo.com/dqTm6.u1J1.htm#1stPage>. For the reader's convenience, we summarize the transaction parties in the Research Section below. (See Research: Securitization Details)
14. The Pooling and Servicing Agreement Dated as of June 1, 2007 between IndyMac ABS, Inc. as *Depositor*, IndyMac Bank, F.S.B. as *Seller* and *Servicer*; and Deutsche Bank

National Trust Company as *Trustee* and *Supplemental Interest Trust Trustee* governs the securitization and describes how the mortgage loans are to be conveyed into the Trust in Section 2.01. The Pooling and Servicing Agreement may also be viewed in its entirety at: <http://www.secinfo.com/dqTm6.u1Uu.c.htm#1stPage>.

15. In the Research Section below, I provide the following:
 - a. Transaction Details and Loan Level Details derived from the Note, Deed of Trust and Riders executed by Kristin Bain on March 13, 2007;
 - b. Securitization Details that outline the Deal flow and identify the parties to the securitization;
 - c. Lookup References that contain hyperlinks to the Deal Documents;
 - d. A listing of Title Documents I reviewed that document the institution of a non-judicial foreclosure, its abandonment, and the completion of a judicial foreclosure; and
 - e. Bloomberg Data Points that so precisely tie in with the Loan Level Details contained in Ms. Bain's Mortgage Loan documents, there can be no doubt that I have accurately traced this Mortgage Loan to the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B.

Chain of Title

16. I reviewed Ms. Bain's loan documents in light of my research incident to the above referenced securitization and found that the following conveyances were necessary to securitize her Mortgage Loan into the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B: (See Research: Securitization Details)

17. In stark contrast to the two “true sale” conveyances noted in Table 1, the documents filed with the King County Recorder's Office paint a very different picture. Table 2 below graphically illustrates the chain of title conflicts between the securitization documents and the recorded documents.

18. The obvious conflicts noted in Table 2 between the securitization pathway on the one hand, and the recorded chain of title on the other, are irreconcilable. Because these pathways are mutually exclusive, we must determine which is *true*, and which is *false*. In so choosing, we must bear in mind that:
 - A. The securitization pathway involves a series of legal documents that establish the purchase and sale agreements between the parties; the creation of the Trust; as well as how and when the Trust acquired its assets. These documents must be truthful, may not contain false statements, and may not omit to state a material fact required to make the statements not misleading. To do otherwise constitutes securities fraud.¹⁴
 - B. The recorded chain of title pathway, on the other hand, consists of a series of false documents that were constructed by the servicer, and the servicer's agent, to prosecute a non-judicial foreclosure unlawfully. These false documents were created to "paper over" fatal skips and gaps in the chain of title in order to facilitate the foreclosure process in violation of RCW 61.24 *et seq.*

Revised Code of Washington

19. To determine whether the title documents filed of record with the King County Recorder's Office are valid, it is helpful to review the requirements of certain statutes that may become implicated.
 - I. Wash. Rev. Code 9.38.020 – False representation concerning title.

Every person who shall maliciously or fraudulently execute or file for record any instrument, or put forward any claim, by which the right or title of another to any real or personal property is, or purports to be transferred, encumbered or clouded, shall be guilty of a gross misdemeanor.
 - II. Wash. Rev. Code 40.16.030 Offering false instrument for filing or record.

Every person who shall knowingly procure or offer any false or forged instrument to be filed, registered, or recorded in any public office, which instrument, if genuine, might be filed, registered or recorded in such office under any law of this state or of the United States, is guilty of a class C felony and shall be punished by imprisonment in a state correctional facility for not more than five years, or by a fine of not more than five thousand dollars, or by both.

¹⁴ See Section 11 of the Securities Act of 1933, 15 U.S.C. § 77k. See also [*Omnicare, Inc. v. Laborers Dist. Council Constr. Industry Pension Fund*, 135 S. Ct. 1318 \(2015\)](#), and *Freidus v. ING GROEP*, Supreme Court 2015.

III. Wash. Rev. Code 61.24.010 Trustee, qualifications -- Successor trustee.

(2) The trustee may resign at its own election or be replaced by the beneficiary. The trustee shall give prompt written notice of its resignation to the beneficiary. The resignation of the trustee shall become effective upon the recording of the notice of resignation in each county in which the deed of trust is recorded. If a trustee is not appointed in the deed of trust, or upon the resignation, incapacity, disability, absence, or death of the trustee, or the election of the beneficiary to replace the trustee, the beneficiary shall appoint a trustee or a successor trustee. Only upon recording the appointment of a successor trustee in each county in which the deed of trust is recorded, the successor trustee shall be vested with all powers of an original trustee.

IV. Wash. Rev. Code 61.24.030 Requisites to trustee's sale.

(7)(a) That, for residential real property, before the notice of trustee's sale is recorded, transmitted, or served, the trustee shall have proof that the beneficiary is the owner of any promissory note or other obligation secured by the deed of trust. A declaration by the beneficiary made under the penalty of perjury stating that the beneficiary is the actual holder of the promissory note or other obligation secured by the deed of trust shall be sufficient proof as required under this subsection.

V. Further, Wash. Rev. Code 61.24.030.

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(1)(a) A trustee, beneficiary, or authorized agent may not issue a notice of default under RCW 61.24.030(8) until: (i) Thirty days after satisfying the due diligence requirements as described in subsection (5) of this section and the borrower has not responded; or (ii) if the borrower responds to the initial contact, ninety days after the initial contact with the borrower was initiated.

VII. Wash. Rev. Code 61.24.040 Foreclosure and sale -- Notice of sale.

A deed of trust foreclosed under this chapter shall be foreclosed as follows:

(1) At least ninety days before the sale, or if a letter under RCW 61.24.031 is required, at least one hundred twenty days before the sale, the trustee shall:

(a) Record a notice in the form described in (f) of this subsection in the office of the auditor in each county in which the deed of trust is recorded;

VIII. If the beneficial interest has been assigned, the Notice of Sale must comply with 61.24.040(1)(f) by including the following information:

as Beneficiary, the beneficial interest in which was assigned
by, under an Assignment recorded under Auditor's File
No. [Include recording information for all counties if the Deed of
Trust is recorded in more than one county.]

The Assignment of Deed of Trust

20. On September 3, 2008, Bethany Hood,¹⁵ acting in her alleged capacity as Vice President of Mortgage Electronic Registration Systems, Inc. as nominee for its successors and assigns (“Assignor”), executed an Assignment of Deed of Trust which purports to transfer the subject Deed of Trust (*together with the Note*) to IndyMac Federal Bank, FSB (“Assignee”). This Assignment was notarized on Sept. 3 [no year date] by Paris Y. Jackson. It was filed of record with the Recorder’s Office on September 9, 2008, as Document # 20080909001149, immediately before the Appointment. (See Exhibit E. – Assignment of Deed of Trust, 09/03/2008)
21. In this instrument, Mortgage Electronic Registration Systems, Inc. purports to assign “all beneficial interest” in Ms. Bain’s Note and Deed of Trust to IndyMac Federal Bank, FSB. This Assignment contains false statements, misrepresentations and omissions of material fact made with the intent to deceive for the following reasons:
 - (a) The MERS Signing Officer who executed the Assignment knew or should have known that Ms. Bain’s Note and Deed of Trust had been securitized into the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B over which Deutsche Bank National Trust Company served as Trustee.
 - (b) Section 2.01 of the Pooling and Servicing Agreement that governs the Trust mandates that the MERS® System contain evidence of the assignments from IndyMac Bank, F.S.B. to IndyMac ABS, Inc., and from IndyMac ABS, Inc. to the Trustee for the Trust.
 - (c) The MERS Signing Officer—a known robo-signer— either did not check the MERS® System, or remained willfully blind to the facts contained therein.
 - (d) The MERS Signing Officer was without authority to execute this Assignment on behalf of the true beneficiary.

¹⁵ According to evidence presented to the trial court, Bethany Hood was also an LPS employee. *See Bain v. Metropolitan Mortgage Group Inc., et al.*, 2010 WL 891585 (W.D.Wash.); (Dkt. No. 51 at 2; Dkt. No. 74 at 7.).

- (e) MERS had no beneficial interest in the Note or Deed of Trust to assign. Thus, statements to that effect contained in the Assignment are knowingly false.
22. The purpose of this Assignment is twofold:
- (1) To close the gap in the chain of title as a matter of public record so that it appeared the Assignee, IndyMac Federal Bank, FSB, had become the beneficiary as that term is defined in RCW 61.24.005(2) and had the requisite authority to appoint a Successor Trustee pursuant to RCW 61.24.010(2), who would then bring a non-judicial foreclosure pursuant to RCW 61.24, *et seq.*
 - (2) The MERS Assignment was also necessary to extinguish MERS's role as a "nominee for Lender and Lender's successors and assigns" as required by MERS Rules, and especially, Rule 8 which prohibits MERS Members from bringing a foreclosure action in the name of Mortgage Electronic Registration Systems, Inc.
23. This Assignment was prepared, executed and recorded under false pretenses to pave the way for a non-judicial foreclosure pursuant to the Deed of Trust Act. RCW 61.24.040(1)(f) requires that when the beneficial interest in the Deed of Trust has been assigned, the Notice of Trustee's Sale must reference the recorded Assignment and Auditor's File Number. Therefore, recording the Assignment was a prerequisite to the filing of the Notice of Trustee's Sale.
24. This is an example of where MERS violates one statute (RCW 40.16.030 – Offering false instruments for filing) in order to comply with another (RCW 61.24.040(1)(f) – Foreclosure and sale -- Notice of sale).

The Appointment of Successor Trustee

25. On August 26, 2008, Christina Allen,¹⁶ acting in her alleged capacity as Assistant Vice President of IndyMac Federal Bank, FSB¹⁷—who she claimed was the present Beneficiary—¹⁸ executed an Appointment of Successor Trustee which purports to substitute Regional Trustee Services Corporation as Trustee under the subject Deed of Trust in place of Stewart Title Guaranty Co. The Appointment was notarized on August

¹⁶ At this time, Christiana Allen was employed by Lender Processing Services ("LPS"). *See Bain v. Metropolitan Mortgage Group*, 2010 WL 891585 (W.D.Wash.); (Allen Decl. (Dkt. No. 74 at 1).)

¹⁷ On July 11, 2008, IndyMac Bank, F.S.B. was placed into conservatorship with the FDIC. On that same date, the FDIC established a bridge bank and named it IndyMac Federal Bank, FSB (58912). A link to FDIC closing information for IndyMac Bank, F.S.B. (29730) is available on the FDIC's website at: http://www2.fdic.gov/idaspc/confirmation_outside.asp?inCert1=29730.

¹⁸ IndyMac Federal Bank, F.S.B. was not the Beneficiary as of August 26, 2008. The Lender, IndyMac Bank, F.S.B. sold the Mortgage Loan to its affiliate IndyMac ABS, Inc. who transferred it to Deutsche Bank National Trust Company as Trustee for the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B on June 12, 2007.

26, 2008, by Paris Y. Jackson, a notary public commissioned by the State of Minnesota. At some point, the Appointment was amended and given a prospective “effective” date of September 3, 2008. The Appointment was filed of record with the Recorder’s Office on September 9, 2008, as Document # 20080909001150. (*See* Exhibit D. – Appointment of Successor Trustee, 08/26/2008)

26. In this instrument, IndyMac Federal Bank, FSB claims to be the beneficiary by virtue of the above referenced Assignment. Both instruments were recorded back-to-back on September 9, 2008. This Appointment is a nullity (void) for the following reasons:
 - (a) IndyMac Federal Bank, FSB was not the beneficiary as defined in RCW 61.24.005(2), and was without the requisite statutory authority to appoint a Successor Trustee pursuant to RCW 61.24.010(2). *Nemo dat quod non habet*.
 - (b) The claims by IndyMac Federal Bank, FSB that it is the beneficiary are knowingly false. Christina Allen knew or should have known that the beneficiary was Deutsche Bank National Trust Company, as Trustee of the Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B and not IndyMac Federal Bank, FSB, who was merely the servicer.
 - (c) These false representations appear to violate RCW 9.38.020 and RCW 40.16.030.

Notice of Trustee’s Sale

27. On September 25, 2008, Anna Egdorf, acting in her alleged capacity as Authorized Agent of Regional Trustee Services Corporation,¹⁹ executed a Notice of Trustee’s Sale (“NOS”) stating that on December 26, 2008, the subject property would be sold to the “highest and best bidder.” This document was filed with the Recorder’s Office on September 25, 2008, as Document # 20080925000491. (*See* Exhibit F. – Notice of Trustee’s Sale, 09/25/2008)
28. For the reasons explained immediately above, Regional Trustee Services Corporation (“RTS”) was not a duly appointed Successor Trustee. Therefore, RTS was without authority to issue and record the NOS.
29. The NOS violates RCW 61.24.040(1)(f) because it fails to reference the assignment by which IndyMac Federal Bank, FSB allegedly became the beneficiary. It also fails to provide the Auditor’s File No. (*See* Paragraph 19.(VIII) above)
30. Accordingly, the Notice of Trustee’s Sale is a nullity (void).

¹⁹ Recall that Regional Trustee Services Corporation was appointed as the Deed of Trust Trustee by Christina Allen on behalf of IndyMac Federal Bank, F.S.B.; however, IndyMac Bank, F.S.B. held only the mortgage servicing rights when it was placed into conservatorship with the FDIC. As a result, Regional was without authority to file the Notice of Trustee’s Sale.

Conclusions

31. The evidence provided herein demonstrates that IndyMac Federal Bank, FSB (“IndyMac Federal”) was the **servicer** not the **beneficiary** at all times relevant. As servicer, IndyMac Federal knew that the beneficiary was Deutsche Bank National Trust Company, as Trustee for Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B (“Deutsche Bank”). IndyMac Federal was required to send its mortgage loan accounting records and funds collected from borrowers each month to Deutsche Bank who prepared Monthly Remittance Reports as shown in Exhibit H.
32. IndyMac Federal was a MERS Member and had access to the MERS® System. IndyMac Federal was required by Section 2.01 of the Pooling and Servicing Agreement to register the transfers of beneficial interests in the MERS® System and identify Deutsche Bank as the beneficiary.
33. Clearly, IndyMac Federal Bank, FSB knew that the MERS Assignment (Exhibit E) did not confer any beneficial interests in the Bain Note and Deed of Trust. Nevertheless, it appointed Regional Trustee Services Corporation as Successor Trustee (Exhibit D) and instructed RTS to issue notice that a non-judicial foreclosure action was underway (Exhibit F).
34. The deception here is that while the documents filed in the King County Recorder’s Office appear to comply with the Deed of Trust Act (“DTA”), they violate numerous sections of the DTA and several criminal statutes as well.
35. For the reasons explained above and succinctly below, I find the following documents filed of record with the King County Recorder’s Office that relate to that certain Deed of Trust executed by Kristin Bain on March 13, 2007, in favor of IndyMac Bank, F.S.B. are forged, groundless, contain a material misstatement or false claim or are otherwise invalid:
 - (1) **Assignment of Deed of Trust:** The Assignment of Deed of Trust executed on September 3, 2008, is the “breeder document” upon which all others depend. It purports to assign beneficial interests that the Assignor, Mortgage Electronic Registration Systems, Inc., simply did not have. As a result, the Assignment is an absolute nullity.²⁰
 - (2) **Appointment of Successor Trustee:** The Appointment of Successor Trustee dated August 26, 2008, executed by Christina Allen as Assistant Vice President of IndyMac Federal Bank, FSB states: “NOW, THEREFORE, in view of the premises, IndyMac Federal Bank, FSB, who is the present beneficiary ...” This is

²⁰ See Black’s Law Dictionary, 1236 (10th ed. 2014), defining “absolute nullity” as follows:

absolute nullity. (17c) *Civil law.* 1) An act that is incurably void because it is against public policy, law, or order. • Absolute nullity can be invoked by any party or by the court. See La.Civ.Code arts. 7, 2030. 2) The quality, state, or condition of such a nullity.

a material misstatement of fact. As my Forensic Title Examination shows, Deutsche Bank National Trust Company, as Trustee for Home Equity Mortgage Loan Asset-Backed Trust, Series INABS 2007-B was the “present beneficiary” on August 26, 2008.

Further, since IndyMac Federal Bank, FSB was not a lawful beneficiary, it had no authority to appoint Regional Trustee Services Corporation as Successor Trustee pursuant to RCW 61.24.010(2). Consequently, the Appointment is an absolute nullity.

- (3) **Notice of Trustee’s Sale:** The Notice of Trustee’s Sale dated September 25, 2008, executed by Anna Egdorf is an absolute nullity because Regional Trustee Services Corporation was not a duly appointed Successor Trustee pursuant to RCW 61.24.010(2). Only a duly authorized Trustee may prepare and execute a Notice of Trustee’s Sale pursuant to RCW 61.24.030.

The NOS violates RCW 61.24.040(1)(f) because it fails to reference the assignment by which IndyMac Federal Bank, FSB allegedly became the beneficiary. It also fails to provide the Auditor’s File No.

36. All three (3) documents were filed of record with the King County Recorder’s Office. The Assignment is the “breeder document” upon which all other title documents depend. Because the Assignment violates RCW 40.16.030 (among other statutes), the trailing documents also violate that statute and trigger up to \$15,000 in statutory damages.

Upon further request, or the submission of additional information, I reserve the right to amend and supplement this Forensic Title Examination.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender

Loan No: 125723223

receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right

Loan No: 125723223

shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be

Loan No: 125723223

non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has – if any – with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be

Loan No: 125723223

reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not

be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such

Loan No: 125723223

other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Loan No: 125723223

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property at public auction at a date not less than 120 days in the future. The notice shall further inform Borrower of the right to reinstate after acceleration, the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale, and any other matters required to be included in the notice by Applicable Law. If the default is not cured on or before the date specified in the notice, Lender at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and/or any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee and Lender shall take such action regarding notice of sale and shall give such notices to Borrower and to other persons as Applicable Law may require. After the time required by Applicable Law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of the Property for a period or periods permitted by Applicable Law by public announcement at the time and place fixed in the notice of sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and the Trustee's fee for preparing the reconveyance.

24. Substitute Trustee. In accordance with Applicable Law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Use of Property. The Property is not used principally for agricultural purposes.

26. Attorneys' Fees. Lender shall be entitled to recover its reasonable attorneys' fees and costs in any action or proceeding to construe or enforce any term of this Security Instrument. The term "attorneys' fees", whenever used in this Security Instrument, shall include without limitation attorneys' fees incurred by Lender in any bankruptcy proceeding or on appeal.

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this 9th day of March, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to INDYMAC BANK, F.S.B., A FEDERALLY CHARTERED SAVINGS BANK (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

15340 MACADAM RD S UNIT B105, SEATTLE, WA 98188
[Property Address]

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:

Peaks at Tukwila
[Name of Condominium Project]

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium Project; (ii) by-laws; (iii) code or regulations; and (iv) other equivalent documents. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited

to, earthquakes and floods, from which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 9.500 %. The interest rate I will pay may change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the first day of each month beginning on May 1, 2007

I will make my monthly payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2037, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at INDYMAC BANK, F.S.B., P.O. BOX 78826, PHOENIX, AZ 85062-8826

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My initial monthly payment will be in the amount of U.S. \$ 1,563.42 . This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of April, 2009, and the adjustable interest rate I will pay may change on that day every 6th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of Interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding six and NO/1000ths percentage point(s) (6.000 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date on the "Amortization Period Date" at my new interest rate in substantially equal payments. The Amortization Period Date is April 1, 2047, which is greater than the Maturity Date. The result of this calculation will be the new amount of my monthly payment. I acknowledge that this amount will not be sufficient to repay my loan in full on the Maturity Date and that I may owe a significant amount to the Lender on the Maturity Date.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.500 % or less than 6.500 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than one and NO/1000ths percentage point(s) (1.000 %) from the rate of interest I have been paying for the preceding 6 month(s). My interest rate will never be greater than 15.500 %, which is called the "Maximum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my prepayment to reduce the Principal amount of the note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

Loan No: 8480795 (0505)

Page 2 of 4

Form 4300

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal that has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is delivered or mailed to me.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

Loan No: [REDACTED]

Page 3 of 4

Form 4300
5/05

(A) Until my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument shall read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument described in Section 11(A) above shall then cease to be in effect, and Uniform Covenant 18 of the Security Instrument shall instead read as follows:

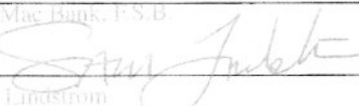

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

FIXED/ADJUSTABLE RATE RIDER
(LIBOR ARM BALLOON LOAN - Rate Caps)

Loan #: 125723223

MIN: 100055401257232233

THIS FIXED/ADJUSTABLE RATE RIDER is made this 9th day of March, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to INDYMAC BANK, F.S.B., A FEDERALLY CHARTERED SAVINGS BANK

(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

15340 MACADAM RD S UNIT B105, SEATTLE, WA 98188

[Property Address]

THIS NOTE PROVIDES FOR A CHANGE IN BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND HAS PROVISIONS ALLOWING CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 9.500 %. The Note also provides for a change in the initial fixed rate to an adjustable interest rate as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of April, 2009, and the adjustable interest rate I will pay may change on that day every 6th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available as of the first business day of the month immediately preceding the month in which the Change Date occurs is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding six and NO/1000ths percentage points (6.000 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date on the "Amortization Period Date" at my new interest rate in substantially equal payments. The Amortization Period Date is 04/01/2047, which is greater than the Maturity Date. The result of this calculation will be the new amount of my monthly payment. I acknowledge that this amount will not be sufficient to repay my loan in full on the Maturity Date and that I may owe a significant amount to the Lender on the Maturity Date.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.500 % or less than 6.500 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than one percentage points (1.000 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be 15.500 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument shall read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Rec A 20070319001731

2. When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument described in Section B1 above shall then cease to be in effect, and the provisions of Uniform Covenant 18 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

CERTIFIED COPY - 09/08/2015

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.
